For in-running sports betting, prompt action is advised as data may not be available after a short period.
- **Submission Method:** An official Complaint Submission Form is available for your use. You can access this form either as a downloadable document to be completed and emailed/uploaded, or as an online form for direct submission.
- **Required Information:** The Complaint Submission Form must include, at a minimum:
 - Your name, address, and place of residence.
 - Your account number or username (if applicable).
 - The date of the complaint and the date of the disputed event.

 - **All Other Complaint Types:** We will assess and respond to complaints within four weeks. If necessary due to complexity or lack of information, this period may be extended once by an additional four weeks, with prior written notice to you.
- **Final Determination:** You will always receive a final determination of your complaint in writing. This response will include either:
 - A reasoned final assessment of the outcome/resolution with supporting evidence.
 - Detailed reasons for not handling the complaint (e.g., if requested information was not provided within the initial four-week period).
- **Use of AI:** While AI may be used in initial complaint handling, complex complaints and all responsible gaming complaints will be handled by a human. Our AI records are monitored to ensure reasonable and consistent solutions.
