Subject: Termination License to operate games of chance.

Dear Sirs,

We hereby inform you that Go East B.V. (the "Company") has concluded its operation of providing online games of chance and therefore requests to terminate its license for same with immediate effect.

Please note the following:

- Terminating is due to new laws in India, cannot work in the Company's biggest market in Canada and the GCB having reservations about our activities in South Africa. Those are our three core markets we would need to function in fully to be able to operate elsewhere in the world, so cannot continue and need to close the site and company.
- There are no outstanding player claims and no deposits. The site operation was handed to another company who have taken ownership for the deposits. There were no outstanding claims at the time of handing over operations.

- Player database was given to the new operating company when they took control of the website and all players informed of this change in ownership.

Yours sincerely,

Go East B.V.
