2. Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of presentation

The financial statements of the company have been prepared in accordance with International Financial Reporting Standards (IFRS). The financial statements have been prepared under the historical cost convention. The financial statements are presented in EUR and all values are presented in actual, unless otherwise stated.

The preparation of financial statements in conformity with IFRS requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the company's accounting policies.

(Notes on Cash and Cash equivalents, Foreign currency transactions, Financial instruments, Impairment, Credit risk, and New standards remain unchanged from previous financial statements and are consistently applied.)

Red Lane B.V.

3. Profit taxes

The company is subject to a territorial tax system, wherein the income earned in Curaçao is subject to 22% of profit taxes and the foreign source income is not subject to profit taxes. For the year ended December 31, 2022, the company's revenue was generated from clients outside of Curaçao. Consequently, no profit tax expense has been recognized.
