Curaçao September 22<sup>nd</sup>, 2025

Dear CGA,

Please be advised that Smart Choice B.V. has decided not to proceed with obtaining a Curaçao license.

The client has decided to close down their Curacao company as they are in a startup phase, and informed us that the license fees and the substance requirements that they will have to adhere to are too high.

We trust to have informed you accordingly.

Best regards,

Kurason Trust Curaçao N.V. (dba KeyFin Management)
