

THIRD-PARTY GAME PROVIDERS DECLARATION

Company Name: Venus International B.V.

Company Code: 164106

License Authority: Curaçao Gaming Control Board (CGB)

Date: 01.06.2025

Purpose: Declaration of Third-Party Game Providers

Venus International B.V. integrates online gaming content exclusively through licensed and certified third-party game providers.

All games available on the company's platforms are supplied via these providers under aggregation or direct integration agreements.

Due to the high volume of games offered across the platforms, individual game titles are not listed in this declaration.

Each listed provider supplies multiple certified games under a single integration framework.

The company does not develop, operate, or distribute proprietary games.
