

## **RESPONSIBLE GAMBLING AND PLAYER PROTECTION**

### **Introduction**

At Winners Poker Club, we recognize that gambling should be a fun and entertaining activity. However, we are also aware that for some individuals, gambling can become a problem that adversely affects their lives, finances, and wellbeing. We are committed to promoting responsible gambling and providing players with the tools, information, and support necessary to gamble safely and to seek help if needed.

### **Problem Gambling Awareness and Self-Help**

If you suspect you may be developing gambling-related problems, the first step is to assess your situation honestly. We encourage players to familiarize themselves with the symptoms of problem gambling and take available self-assessment questionnaires to help determine if professional support may be necessary.

Should you find signs of potential gambling addiction, it is important to act promptly. Our resources include practical tips for safer gambling, such as setting limits on time and money spent, and understanding how to avoid chasing losses. We also provide access to tools that help you control your gambling behavior, such as deposit limits, session time reminders, and self-exclusion options.

Recovery from gambling addiction can be challenging. We strongly advise involving your family or close friends and seeking professional counseling or support from recognized gambling help organizations.

### **Support for Family and Friends**

If someone close to you is showing signs of problem gambling, it can be a difficult and emotional experience. Understanding the signs of gambling addiction and encouraging your loved one to seek help can be crucial steps towards recovery. We provide guidance and resources to assist family members and friends in recognizing problem gambling behaviors and accessing appropriate professional support.

### **Safe Gambling Practices and Prevention**

Choosing to gamble responsibly is the best way to avoid developing a gambling problem. We recommend players educate themselves on safe gambling practices and regularly monitor their gambling habits. Utilize the responsible gambling tools provided by our platform, including deposit limits, self-assessment tests, and self-exclusion mechanisms.

If you ever feel your gambling is getting out of control, do not hesitate to use the available support channels or consult with professional help centers.

### **Research and Resources**

We are dedicated to providing reliable, up-to-date information about gambling addiction and responsible gambling. Our resource center includes educational articles explaining the nature of gambling addiction, its impact on individuals and their families, and effective prevention strategies.

For further information, you may also consult reputable external sources and gambling addiction support organizations.
