

COMMERCIAL HOSTING FACILITY OFFER TIER IV IN CURAÇAO

Start Date: April 16, 2026

1. Parties & References

Provider: **GLOBIZ SOLUTION LTD**

Client: **HNA GAMING B.V.**, incorporated in Curaçao (Registration No. 162383), with its registered office at: Schottegatweg Oost 10, Unit 1-9 Bon Bini Business Center, Willemstad, Curaçao

Reference Documents:

- Compliance Hosting Facilitation Agreement, dated April 16, 2026, between Provider and Client.

2. Scope of Services

In accordance with the Agreement, the Provider shall facilitate access to upstream Tier-IV data center services located in Curaçao. These services are solely for storing and ensuring accessibility of Critical Information required under CGA - LOK regulations.

Back Up Services under this Offer include – Saring plan

- (a) 50 GB/month and Network speed 50 Mbps download/upload
- (b) Bandwidth 4TB/month
- (c) Allocation of secure server resources in a Tier-IV data center (Curaçao).
- (d) Provision of Curaçao Tier-IV IP address for use during the Term.
- (e) Continuous monitoring and technical maintenance of server performance.
- (f) Technical facilitation of Curaçao Gaming Authority (CGA) access to Client's data.

Technical infrastructure under this offer includes:

- (a) Compliance seal offering technical gateway for back up services in a Tier-IV data center (Curaçao).
- (b) CGA audit ready infrastructure
- (c) Server management for primary back up
- (d) 24/7/365 technical support

Important Notes:

- (a) The Provider acts strictly as an infrastructure facilitator; all regulatory obligations remain with the Client as CGA license holder.
- (b) Critical Information and gaming logs must remain stored within Curaçao's Tier-IV facility. Off-site backups are permitted only if compliant, with a complete copy always retained in Curaçao.
- (c) Service availability/uptime standards are exclusively those of the upstream SLA; the Provider makes no independent SLA commitments.
- (d) The Client must adhere to all upstream provider policies (AUP, Bandwidth, IP Policy).
- (e) Domains: evolvebets.com / hugobets.io / luckyz.com / shinywilds.com / vibebet.com / viggoslots.io with option to add additional domains in the near future.

3. Fees & Payment Terms

(a-1) Annual Service Fee:

Server as Hosting Starter Plan: € 2.388,00 (€199/month) – includes unlimited domains/aliases

Compliance/Technical Infrastructure: € 1,800 (€150/month) –includes 2 compliance infrastructure seal, bank/crypto gateway fees. All domains above 2 will cost extra € 250 per domain a year (normal at €500 per domain extra). For 7 domains it will cost: €3.050,00 a year

Secondary backup set up fee € 300 (one-time fee includes 2 domains, extra at €39 per domain above 2) – required by backup procedures. Total set up fee for 7 domains costs: €495,00 – one time set up

Secondary Backup monthly for starting plan: €99/month – required by process
Each extra 50 GB needed costs 25 euros per 50 GB. For all domains it costs: €99/month, which is € 1.188,00 a year

Total offer to cost €4.500 a year as a package and after discounts

All fees are plus 6% VAT (if applicable and non-refundable)
Payable annually or semi-annually (15% extra of the total).

(a-2) Variable fee:

Support fee from €125 per hour

Extra compliance seal fee >1: €500 annually per URL (if applicable)

Retention fee: this is to be informed soon, since Government requests a 3-year retention of Player's Data

Extra 50GB at €25

(b) Currency: EUR (default). Crypto payments may be accepted upon prior email agreement.

(c) Invoicing: One annual invoice. The client may request earlier issuance by written notice (including email).

(d) Payment Deadline: Payment is due in full within five (5) calendar days of invoice issuance.

(e) Refunds: Non-refundable, except in cases of proven service failure.

(f) Taxes & Fees: All bank transfer or crypto network fees are borne by the client.

(g) Regulatory Note: The paid invoice may serve as evidence of compliance with CGA requirements.

(h) Fees are subject to change if regulatory requirements change and/or contracted capacity used has reached its limit regardless of how many domains/aliases.

4. Duration & Validity

4.1 This Offer forms an integral part of the Agreement and remains valid for its duration unless replaced by a revised Offer.

4.2 The Annual Hosting and Infrastructure Fee reflect pricing at the time of issuance. The Client acknowledges that fees may be adjusted due to changes by the Upstream Provider or regulatory requirements.

4.3 In the event of such adjustments, the Provider will notify the Client in writing and issue a revised Offer. The revised Offer will take effect from the date specified therein and supersede this Offer.

4.4 In the absence of a revised Offer, this Offer shall continue to apply during any Renewal Term of the Agreement.

5. Acceptance

By signing this Offer, both Parties confirm their acceptance of the terms of service.

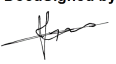

IN WITNESS WHEREOF, the Provider and the Client have executed this Offer as of the Effective Date.
