- 1.1. The Provider shall provide alternative dispute resolution by handling disputes that have not been resolved at the Operator’s level within the deadline as stipulated under the LOK (Landsverordening op de Kansspelen) by the Curaçao Gaming Authority, the scope of which is described and listed in Schedule 1 (the “**Services**”), (each such dispute dealt with by Provider shall be regarded as a “**Case**”).
- 1.2. Provider shall accept all such Cases which fall within the guidelines of the Curaçao Gaming Authority.
- 1.3. Any additional work outside of the scope of these Services must be pre-approved and accepted mutually between the Parties. Provider has full discretion in accepting work outside of scope of the aforementioned Cases.
- 1.4. Provider shall aim to handle each Case within an estimated 7-10 business days. Such timeframe shall however be dependent on the complexity of the Case and speed of communication between Operator and customers, as applicable. Provider shall include Operator in any and all communication with the customers of the Website(s) and other communication related to Case(s) if the otherwise is not expressly provided by applicable law.
- 1.5. The effect and result of Providers alternative dispute resolution Services are final and binding on the parties to the Case.

Failure by the Operator to pay the Operator Fees within 30 (thirty) days of receipt of the applicable invoice may result in Provider revoking its Services to Operator and informing the Curaçao Gaming Authority. It is a regulatory requirement for each operator to have an approved alternative dispute resolution entity to escalate disputes to.
- 2.6. Payment shall be made by Operator in such currency or cryptocurrency as may be mutually agreed between the Parties.

7. NO AGENCY

- 7.1. It is understood and agreed that Provider is an independent contractor and that Provider has performed the Services and has at all times complied with applicable law. The Operator shall therefore have no control, effect or influence on the outcome of the alternative dispute resolution Services to be performed and handled by Provider. It is also expressly understood that the Provider will not be considered Operator's agents or employees, and have no authority whatsoever to bind Operator by contract or otherwise.
