Regarding: **Prolific Trade N.V. - OGL/2024/1415/0636**

Dear CGA,

We, eMoore N.V., in our capacity as managing director of Prolific Trade N.V., hereby provide this official declaration regarding the company's target market. Please note that the reference to Brazil in the previously submitted Business Plan has become obsolete, as Prolific Trade N.V. does not target or accept any players from Brazil.

At the time of the initial business plan submission, Brazil was indeed the company's main target market, which at that time was allowed under the Curaçao license, as it was neither prohibited nor considered unlawful to offer gaming services to Brazilian players. However, following the introduction of new gaming regulations in Brazil in January 2025, a group company has since obtained a local gaming license in Brazil and now services Brazilian players directly.

As a result, Prolific Trade N.V. no longer targets the Brazilian market under its CGA license, and none of the URLs registered under the CGA license are directed at or intended for users in Brazil. Prolific is currently refocusing its target markets; however, the content of the existing business plan remains valid in relation to the company's operational structure and approach.

This declaration is made to ensure full transparency and compliance with the requirements of the Curaçao Gaming Authority (CGA).

Should you require any further information or documentation, please do not hesitate to contact us.

Sincerely yours,

eMoore N.V., Managing Director
