Responsible Gambling and Self Exclusion

Gambling means for the majority of our Users, entertainment, fun and excitement. But we also know that for some of our Users gambling has negative side effects. In the medical science is pathologic gambling since many years as serious sickness recognised.

Since our first day we think about this problematic and try out best to help. Under “Responsible Gambling” We understand multiple steps of measures, with which a gambling provider can help to lower the possibility of negative side effects appearing. -In case they already appear we also try to take active steps against them.

The most important instrument against negative side effects from gambling are knowledge and education about the risks of gambling too support our Users self-control in order to make sure they do not suffer from negative side effects.

As part of the Company's problem gambling initiative all staff receive responsible gambling training as part of the induction process and annually thereafter.

The Company has appointed a designated Responsible Gaming person, who is responsible for implementing and enforcing the Policy. Furthermore, this designated person shall be the point of reference regarding this Policy and its related requirements.

Responsible Gambling

Responsible gambling involves the conduct of gambling in a manner where the potential for harm associated with gambling is reduced.

The Company respects the rights of our Customers to enjoy our services and to take responsibility for their own conduct but also acknowledges the duty to our customers to provide them with appropriate information that may assist them to manage their gambling. As a general principle no credit shall be offered to customers for the purpose of wagering.

The Company's aim is to ensure that customers make informed decisions about gambling and that if the customer requires assistance, to facilitate access to gambling help services.

The Responsible Gaming Policy for Licensed Operators as issued on April 17, 2025 by the Curacao Gaming Authority (hereafter: 'RG Policy CGA') sets out various obligations which must be adhered to. As part of the RG Policy CGA, the Company will prominently display:

- The license details through the dynamic seal on the page(s);
- A sign which indicates that under-age gaming is prohibited;
- A 'responsible gaming' message, explaining that gaming can be harmful if it is not controlled, and information about the Customer support measures;
- A direct link leading to the responsible gaming section which includes all relevant responsible gaming information required by the CGA;

- A direct link which enables Customers to refer to one or more gambling support organisations;

We prioritize the protection of our Customers through the following measures:

- Age Verification: Customers must be at least 18 years old to participate in any gaming activities. Age verification is done during the account registration process.
- Self-Assessment Tools: We provide self-assessment tools to help Customers evaluate their gaming behaviour and identify potential risks. These tools are accessible via our website;
- Behaviour Tracking: Our system monitor Customer behaviour to detect signs of problem gambling and intervene when necessary. This includes tracking deposit patterns, frequency of play, and time spent on gaming activities;
- Deposit Limits: Customers can set daily, weekly, or monthly deposit limits to manage their spending;
- Cool-off periods and Self-exclusion: Customers can opt for temporary cool-off periods or self-exclusion to take a break from gaming. Self-exclusion can be set for periods ranging from a year to lifetime.

Problem Gambling

Problem gambling occurs when there is a lack of control over gambling, particularly the scope and frequency of gambling and the amount of recreational time spent gambling.

The negative impacts may include:

- Extreme financial losses relative to their sources of income;
- Adverse personal effect on the customer, his or her family and friends;
- Adverse effect on employers and work performance.

The Company's aim is to achieve equilibrium in the provision of gambling services, taking into account those Customers who enjoy our services and use them as a form of entertainment, the wellbeing of our Customers who have an acknowledged gambling problem, their families and the community at large.

Information and contact

The Company ensures that Customers can easily access responsible gaming information by:

- Visible Links: Our homepage displays a link to the responsible gaming policy, tools, and contacts. These links are also included in the footer of the homepage on our website
- Terms and Conditions: Clear references to our terms and conditions, including the prohibition of underage gambling, are provided. The terms and conditions are easily accessible and written in plain language;
- Responsible Gaming Organizations: Links to organizations that offer support for gambling addiction are available. These include local and international organizations, as per this policy.

Our Support will help you via email at all time without any additional costs for you:

And you can also find additional information about gambling addictions at:

<https://www.begambleaware.org/safer-gambling/>

Behavior tracking

The Company monitors customer activity to identify potential gambling problems. Behavior tracking will be done, amongst other elements, on the following factors:

- Deposit and wagering frequency;
- Repeated failed transactions due to insufficient funds;
- Reversing withdrawals;
- Inexplicable extended play sessions;
- Frequent changing to Responsible Gaming tools;
- Unreasonable increased communication with customer support;
- Attempts to open multiple accounts to bypass deposits or loss limits.

In version 1.2 of the Policy this will be further detailed as per the implementation schedule of the RG Policy CGA.

Helpful hints for responsible gambling at Betsala.com

We recommend you think about the following hints, before gambling in order to insure gambling stays fun for You and without any negative side effects:

- Set yourself a deposit limit
Before you start to gambling think about how much you can afford to gamble with according to Your financial situation. Play with amounts which are for fun and for Your entertainment
- Do not try to win back a loss at every cost
Try to not take to huge risks to win back what You lost before at any cost. Play for Entertainment and not to earn money.
- Set yourself a time limit
Set yourself a time limit and do not break it. Keep in mind gambling should stay in balance with your other hobbies and not be Your only hobby.
- Play smart:
It is smarter to not play, when You are extremely stressed, depressed or under to much pressure. Also do not play when you are under the influence of Medications, Drugs or Alcohol.
- Take breaks:

You should take breaks when You notice, that You get tired or can't concentrate anymore

- Only one account:
To make it easier to have an overview how much time and money You spend on gambling it is highly advised to not create more than one Account per Person.

Minor Protection

To use our Service, You have to be 18 years or older. To avoid abuse, keep Your login data safe from any minors near You.

Principally we recommend a filter program to avoid minors, especially children, to access any context on the internet, which is not healthy for them.

For parents we can recommend a list of internet filters, to support them, from keeping their children from any context, which was not made for them:

The company will retain records of all age verification process and their outcomes according to the Company's record keeping obligations and for regulatory review by the CGA.

Self-Exclusion:

Self-exclusion is recognised by the gambling industry as a way for players to control their gambling. The Company offers a self-exclusion facility to help those customers who feel that their gambling is out of control and want our assistance to help them stop.

All Self exclusion request shall be directed to email: soporte@betsala.com

The self-exclusion request shall be applicable:

- A. To all brands/domains operated under the Company;
- B. All gambling activities related to one Casino vertical available on the Company's domain. If such option is provided by the Company to the Customer, as otherwise the self-exclusion under A will be provided for all gambling activities of the Company¹;
- C. All advertisement activities of the Company. An automatic opt-out will be triggered when self-exclusion is activated

The duration of the self-exclusion period must be at least 1 year. The Customer shall be able to set the duration for 3 years, 5 years, 10 years or a lifetime.

The Customer should be able to set their preference for the duration of the self-exclusion period online, without requiring email communication or prior approval from the Company. Once this is set, all exclusions related to brands/domains, vertical gambling activities and advertisement activities automatically applies immediately.

¹ Casino verticals are types of groups wagering activity available on the domain of the online casino, such as casinos (i.e. slots, table games) and sports betting (i.e. horsebetting)

Any wagering that takes place following the self-exclusion request and prior to it being into effect will be voided and the funds returned to the Customer.

The Company should not question a Customer's decision regarding self-exclusion in general, nor will the Company offer bonuses to the Customer to encourage participation, or delay/complicate the self-exclusion activation process.

If a self-exclusion is applied, the following actions should be in place:

- The Customer's account is closed. The Customer can no longer log in.
- The Customer must complete any tournaments that is in-running at the time of the self-exclusion.
- Ante-post bets will be voided and refunded subject to AML/CFT regulations.²
- Contributions to progressive jackpots that were made by the Customer through gameplay prior to the self-exclusion request remain, but the Customer is no longer entitled to participate with the jackpot after the self-exclusion is in effect.
- No Advertisement activities shall be conducted towards the Customer.
- Any payment method used by the Customer will be blocked by the Company for future use during the term of the self-exclusion period.

The Company will retain records of self-excluded requests by Customers according to the applicable record keeping requirements.

During Self Exclusion you are not allowed to create a new Account and every attempt to create a new Account during Self Exclusion is a violation of our Terms of Service and may result in the permanent ban of your original account.

Reactivation of customer's account after self-exclusion

After the self-exclusion period ends, the Customer must request in writing (by email or chat) the unblocking of the account. The reactivation of the account cannot be instigated by the Company by re-commencing communications with the Customer.

Company initiated self-exclusion

The Company may exclude a Customer from gaming activities as a high-risk intervention measure if:

- The Customer displays problematic (gaming) behaviour
- The Customer attempts or engages in criminal activities through the Company's platform.

The Company will not exclude Customers solely on the basis of the amount of their winnings.

Time-Out/ Cooling off periods

For Customers who wish to take a short break from gambling the Company offers a time-out/cooling off facility. Customers can set a time-out on their account through their account function or via live chat or e-mail for different timeframes, which will be further detailed in version 1.2 of this policy as per the implementation schedule of the RG Policy CGA.

During this time-out the Customer will have their account closed and all marketing material stopped.

² Ante post bet bets are those placed in advance of the opening of betting market for that event

Deposit Limits
