Subject: GCA Reference: DJ/U378/2025 Notice of intended suspension of license

Dear Sir, Madam,

Thank you for your notification letter dated May 9th, 2025.

Our sincere apologies with the delay of the respective invoice payment

To date, Zozo has not accepted any clients, but has instead received several offers from existing operators who are interested to purchase the shares and utilise the license for B2C games of chance. We have confirmation from one buyer in particular who will be sending the KYC for your verification and approval for the transfer of shares over the coming 1-2 weeks.

We acknowledge our obligation and intend to settle the half-yearly license fees for CGA Supervision January 1st - June 30th, 2025, as soon as possible.

Thank you and kind regards,

Dong Hyuk Shin
