1 Scheme responsible for the protection of your deposit

Your deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your credit institution should occur, your deposits would in any case be repaid up to €100,000.

2 General limit of protection

If a deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by the Depositor Compensation Scheme, in accordance with the regulations. This repayment covers a maximum of €100,000 per credit institution. This means that all deposits at the same credit institution are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account with €90,000 and a current account with €20,000, he or she will only be repaid €100,000.

In addition to the protection described above, deposits may be protected in some cases up to a maximum of €500,000 for six months after the amount has been credited or from the moment when such deposits become legally transferable. In order to qualify for such higher protection, a deposit in excess of €100,000 must meet any one of the following additional criteria:

- I. It comprises:
 - a. Monies deposited in preparation for the purchase of a private residential property by the depositor; or
 - b. Monies which represent the proceeds of sale of a private residential property of the depositor; or
- II. It comprises sums paid to the depositor in respect of:
 - a. A separation, divorce or dissolution of their civil union; or
 - b. Benefits payable on retirement; or
 - c. A claim for compensation for unfair dismissal; or
 - d. A claim for compensation for redundancy; or
 - e. Benefits payable for death or bodily injury; or
 - f. A claim for compensation for wrongful conviction.

More information can be obtained at www.compensationschemes.org.mt.

3 Limit of protection for joint accounts

In case of joint accounts, the limit of €100,000 applies to each depositor. However, deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of €100,000.

4 Reimbursement

The responsible Deposit Guarantee Scheme is the Depositor Compensation Scheme, c/o Malta Financial Services Authority, Notabile Road, Attard BKR 3000, Malta; Tel: (+356) 2144 1155; Email: info@compensationschemes.org.mt. As of 31 May 2016, where the Depositor Compensation Scheme cannot make the repayable amount(s) available within 7 working days, depositors shall have access to an amount, not exceeding €1,500, to cover the cost of living, within 5 working days of a request. The Depositor Compensation Scheme shall only grant access to such amount within 5 working days on the basis of data provided by the credit institution.

If you have not been repaid within these deadlines, you should make contact with the Depositor Compensation Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained from www.compensationschemes.org.mt.
