CAREER OBJECTIVE

Dynamic and ambitious finance professional with a strong background in IT project management and operational strategy, now transitioning into the role of Chief Financial Officer (CFO). Skilled at combining financial insight with practical project delivery experience to drive business growth, ensure compliance, and improve profitability.

CAREER TIMELINE

Senior Project Manager

FANCY GAME LAB LLC | 2024 – 2025

- Took responsibility for the financial supervision of large gaming projects.
- Coordinated investment planning and managed budgets exceeding €3M.
- Built internal reporting processes that allowed the Board to make data-driven investment decisions.
- Led cost-optimization measures resulting in a 15% reduction in project expenses.

Project Manager

ALEX SOFTWARE LLC | 2022 – 2024

- Directed software development projects with a focus on both delivery and financial KPIs.
- Designed budget control systems and maintained cost-effectiveness throughout the project lifecycle.
- Negotiated financial terms with clients and suppliers, securing more favorable agreements.
- Enhanced financial transparency by introducing structured monthly reporting for stakeholders.

Junior Project Manager

ALEX SOFTWARE LLC | 2020 – 2022

- Assisted with financial and operational monitoring of ongoing IT projects.
- Prepared cost breakdowns, supported invoicing, and tracked payments.
- Ensured adherence to agreed budgets and identified areas for savings.
- Gained strong experience in project administration and client communications.

CORE STRENGTHS

- Financial planning & budgeting
- Cash flow management
- Cost efficiency & profitability improvement
