Dear All,

LETTER ABOUT THE IMPOSSIBILITY OF SUBMITTING THE DOCUMENTS ON TIME

Due to the heavy workload for government agencies and due to the increase in time for processing requests, our former UBO Joe Bermeo Garcia is not able to provide SOW and no criminal record by September 30. These documents have already been requested from authorities and other different financial organizations and are awaiting their release, translation and certification with apostille. We undertake to immediately present them to you upon receipt of these documents.

Best regards, team of VELATUS N.V.
