Warm Tip:				
*Explanation of Amount Symbols: - Indicating Expenses; - Represent repayment				
*Card swiping transactions are not received in real-time, so this bill may not necessarily include all of your current card swiping transaction details. Individual card swiping transaction details may be listed in the next bill.				
Please check carefully.				
*The above abstract is for reference only. If it does not match the actual signature or has any questions, please consult our customer service center or service hotline within 30 days after the billing date 4006-601169.				
*If the "current repayment amount" in your RMB or USD account is negative, it means that there is still a deposit in the RMB or USD account for this period, and you do not need to repay it separately.				
*Our bank charges you interest and fees for credit card and installment business as agreed. The rules for interest and fee collection are detailed on the official website of the Beijing Bank Credit Card Center. If you have any objections to the fee standards, you have the right to apply to our bank to cancel the card. However, the debt relationship you have formed with our bank will not be extinguished or changed as a result.				
*When there are changes to some clauses of the credit card usage contract, articles of association, and fee standards, they will be publicly announced through the latest announcement on the credit card official website.				
*Bank of Beijing only certifies the existence of the transactions recorded in the statement, but does not provide any form of guarantee.
