

Responsible Gaming Policy:

RITCHIE RABBIT GAMES B.V.

RITCHIE RABBIT GAMES B.V. is dedicated to providing an excellent and enjoyable gaming experience while recognizing our fundamental responsibility to prevent problem gambling. We advise all players to treat gambling strictly as entertainment, establish personal limits, avoid chasing losses, and ensure that gaming does not interfere with daily responsibilities.

Self-Assessment Questions If you answer "YES" to the majority of the following questions, we strongly encourage you to take immediate action:

- Does gambling affect your professional work or study?
- Has gambling caused friction or arguments with family or friends?
- Do you feel compelled to win back losses immediately?
- Have you borrowed funds or sold assets to finance gambling?
- Do you view gambling as a primary or secondary source of income?
- Do you find it difficult to limit your time or financial spend on gaming?

Available Support Organizations If you or someone you know is struggling with gambling addiction, please reach out to international support networks:

- Gamblers Anonymous
- Gambling Therapy
- GamCare Player Mitigation Tools & Self-Exclusion

RITCHIE RABBIT GAMES B.V. provides tools to assist players in managing their gambling activities:

- **Cooling-Off Period:** Players can request a temporary 7-day cooling-off lock on their account.
- **Self-Exclusion:** Players can formally request self-exclusion by emailing admin@feixinx.com. Upon request, the account will be locked for a minimum period of six (6) months. During this time, the player will be unable to log in, and all promotional materials will be suspended. We recommend that self-excluded players extend this request to all other iGaming platforms where they hold active accounts.

Underage Gambling Prevention Access to the platform is strictly prohibited to anyone under the age of 18 or the legal age of majority within their applicable jurisdiction. **RITCHIE RABBIT GAMES B.V.** implements robust identity and age verification checks. Parents are advised to utilize filtering software (e.g., Net Nanny) and secure all personal login and credit card details to prevent minor access.
