

Responsible Gaming

1. In any case an initial purpose of the Company's services is to provide entertainment for our players. Our Company supports the approach of using our services for pure enjoyment and has developed this policy to maintain a responsible gambling atmosphere along our Website and to inform our Customer about adverse effects of excessive gambling.
2. The Company cares about its player's by noticing about the negative side of our games and developing responsible gambling environment in our games.
3. In order to abolish the negative impact of gambling on minors, our Terms&Conditions does not permit anyone under the age of 18 or any higher age as required by the player's jurisdiction to use any of the services the Company provides via the Website.
4. The Company reserves the right to verify any player's age and suspend any player's account until information verifying legitimate age is provided. If the appropriate age is not confirmed, the Company reserves the right to exclude any player from its services.
5. The Company cares about your mental health and welfare. Our Company recommends players to keep control over time spent in gambling activities and bankroll.
6. We urge you to have a clear gambling budget, that does not consist of funds needed solely for ensuring your means of first necessity, and monitor the time you spend playing, allowing for both entertainment and mindfulness during your gaming sessions. Our aim is to empower you to immerse yourself in online gaming responsibly, ensuring that your experience is not only captivating but also mindful of your personal limits.
7. To have control over your time and funds during gambling always keep in mind:
 - a. Gambling is intended to be fun and entertaining as opposed to a means to an end to making money.
 - b. Gambling is not a way to resolve financial difficulties.
 - c. Decide on a gambling budget and stick to it. Keep track of your spending and only play with the amount initially decided.
 - d. Do not chase after losses or play with money allocated to other areas of your budget.
 - e. Check that You only playing in your free time allocated to hobbies. Gambling is not supposed to keep You from your routine daily activities. Monitor the time You spend gambling.
 - f. Do not play under stress, intoxication, depression.
 - g. Have a use of self-limitation tools.
 - h. Do not borrow money to make bets, either from friends & family or financial institutions as this could lead to adverse financial implications.
8. The Company also encourage any player to make self-assessment to understand if he has gambling problems, using one of the following tools:
 1. GamCare self-assessment tool: <https://www.gamcare.org.uk/understanding-gambling-problems/self-assessment-tool/>
 2. Gamblers Anonymous bliz: <http://www.gamblersanonymous.org/ga/content/20-questions>.
 3. Whenever the player identifies any problems with gambling, he could use any of the responsible gambling measures offered by the Company.
9. Additionally, if you believe you require assistance with your gambling habits, we encourage you to reach out to Gamblers Anonymous at <http://www.gamblersanonymous.org/ga/>. They provide an international service and a supportive environment for discussing issues related to problem gambling with others who are affected.
