

Responsible Gaming Policy

Verse Corp B.V is committed to maintaining a secure, compliant and socially responsible gaming environment. This policy outlines the controls, tools and support mechanisms available to mitigate gambling-related harm and ensure customer well-being.

This website operates under a responsible gaming framework as required by the Curacao Gaming Authority.

Access to the platform is strictly limited to individuals aged 18 or older. Age verification is conducted during registration and any account identified as belonging to a minor will be closed. Verse Corp B.V does not target or engage in marketing to underage individuals. If you share your device with minors, we recommend using parental control software.

The platform provides players with tools to manage their gambling activity:

- deposit limits (daily/weekly/monthly)
- cooling-off periods (24 hours to 3 months)
- self-exclusion (1 year to permanent)
- reality checks and session timers

These tools are accessible via the player account settings.

Alternatively, players may contact customer support to request activation or modification of these settings, subject to verification.

Any requested increase in limits is subject to a 24-hour cooling-off period before taking effect.

Customers may conduct a self-assessment using independent tools, such as the Gamblers Anonymous questionnaire: <https://www.gamblersanonymous.org/20-questions>. These tools are intended to help individuals evaluate their gambling behavior.

Customers affected by gambling-related issues may seek assistance through reputable external service - <https://www.begambleaware.org>

All marketing and promotional activities are conducted in accordance with applicable laws and standards. Communications are not directed to self-excluded individuals, minors or persons identified as vulnerable. Marketing is suspended during periods of self-exclusion or cooling-off.

Verse Corp B.V provides the following practical guidance as part of its player education approach:

- establish financial and time limits before gambling
- avoid gambling when under emotional distress or substance influence
- refrain from attempting to recover losses through further gambling

The Responsible Gaming team is available via support email rg@versecorps.com for confidential assistance at any time.
