Groot Kwartierweg, 10, Willemstadt, Curacao
Reg. number 140803
(hereinafter the "Licensee")

(both hereinafter jointly referred to as the "Parties" and each of them as a "Party")

The Parties to the Agreement hereby premise the following:

Provider assumes responsibility for the delivery of online real-money casino games, further referred to as **"Games"**, and a functional API with its Documentation for integration of the Games. Conversely, the Licensee is responsible for integrating the Games into Licensee's existing Platform and for issuing associated payments for use of the Games.

The Provider is the owner of the API and its proprietary games (**"BGAMING Games"**) and has obtained the right to provide casino games developed by various third parties (further referred to as **"Game Vendors"**) with which the Provider has signed license agreements.

The Licensee is a company that operates a gaming software platform, offers e-gaming services and has sought the Provider's approval for the use of the Games.

The Parties hereby agree on the following terms and conditions:

1. Granting of License

The Provider hereby provides the Games to the Licensee and grants a restricted, non-exclusive, non-transferable, limited License to use on Licensee's Gaming Website or Websites listed in **Appendix A**.

The Licensee undertakes to use the Games for offering its clients Internet gaming services and activities and related services only.

The Licensee is restricted to use the Games only in connection with the present Agreement. The License is limited to the Games described in **Appendix B**.

2. Term and Termination

2.1 The Terms of the License shall be as follows:

a) This Agreement is effective upon the date of signature by duly authorized

representatives of both Parties. The effective duration period of the Software License is limited to one (1) year ("Original License Period"). The Software License is effective from the date of signing of this Agreement.

- b) An extension of the Term of the License is automatic ("Extended License Period") unless canceled by one of the Parties in writing. Such Extended License Period ends one (1) year after the expiration of the Original License Period. Extensions to the Term of the License can take place as many times as the Parties deem practicable.
- c) This Agreement terminates upon expiration of the Original License Period or expiration of the Extended License Period, should an extension be canceled in writing.
- d) Either Party may terminate this Agreement prior to expiration of the Original License Period respectively the Extended License Period by giving three (3) months prior notice duly served upon the other Party.
- e) For the avoidance of doubt, fees and any payments due in terms of this Agreement shall continue to be due for as long as the Agreement is effective.

2.2 The Provider may terminate this Agreement at any time giving written notice to the Licensee in case:

- a) Licensee ceases to hold the applicable gaming licenses and permits, or acts in breach of any applicable gaming, gambling and betting laws as laid out in Sections 8.3 to 8.5 – subject to immediate termination;
- b) Licensee fails to effectively apply the list of Excluded Territories for the Games as laid out in Section 4.8, and such failure has been discovered by Provider or brought to Provider's attention – subject to immediate termination;
- c) Licensee permanently discontinues the use of the Games;
- d) Licensee has not commenced to promote the Games on its Gaming Website(s) or to its Sub-licensees within six (6) months following the Effective Date;
- e) Licensee commits any other serious breach of this Agreement and, in the case of a breach capable of being remedied, has failed to remedy the breach within fourteen (14) calendar days after the receipt of a written request from the Provider to do so. Whether a breach is capable of being remedied is within the Provider's sole discretion. In case the Provider considers a breach as one capable of being remedied and sends a request in this regard to the Licensee, such notice must contain a warning of the Provider's intention to terminate this Agreement should the breach not be remedied within reasonable time.

2.3 The Provider reserves the right to terminate the Agreement if the Licensee is in delay of making the payments stipulated in Section 5 and such delay exceeds ten (10) business days. In such case the Provider undertakes to give the Licensee ten (10) business days prior written notice of termination.

2.4 Termination of this Agreement for any reason whatsoever shall not affect either Party's accrued rights or liabilities, nor shall it affect the coming into force or the continuance in force of any provision within this Agreement that is expressly or by implication intended to come into force or continue in force after the termination of this Agreement.

3. Support Services and Availability of Games

3.1 Provider shall supply Support Services to the Licensee as laid out in **Appendix C** for no additional cost for the whole period of the Agreement. Provider shall make available professional employees to provide assistance to the Licensee in regards to Documentation and integration workflow, and in order to perform acceptance testing of the integration.

- 3.2 The Provider shall act as an intermediary between the Licensee and Game Vendors and shall attempt to raise or resolve any issues related to any of the Games as soon as possible. However, Provider is not directly responsible for the quality, operation and technical support pertaining to the games from third-party Game Vendors.
- 3.3 The Provider and Game Vendors shall exercise their best efforts to keep the Games available twenty four (24) hours a day, seven (7) days a week, subject to downtime for maintenance purposes, system outages and other circumstances beyond Provider's control. The Parties acknowledge that, since the Internet is neither owned nor controlled by any entity, the Provider makes no guarantee that any given user will have access to the Games at any given time without interruptions. The Provider or Game Vendors shall not be liable to the Licensee for any unavailability of the Games if any connection problems are caused by a third party and not by action or omission to act of the Provider or Game Vendors. The Licensee in turn is responsible for establishing adequate procedures on its side in order to keep the Games available to Licensee's End Users.
- 3.4 Provider and Game Vendors may at any time, without notifying the Licensee, make changes to their Games which are technically necessary and which do not affect the general nature or quality of the Games.
- 3.5 Provider and Game Vendors may add new and discontinue existing Games at their discretion, but this will be communicated in good time to the Licensee.
- 3.6 Licensee understands that not all Game Vendors will have the ability to make their Games available to End Users immediately after the integration is completed by Licensee (for technical reasons or in relation to Clause 4.7).
- Licensee acknowledges that unavailability of certain Game Vendors immediately after the integration does not constitute a breach of the Agreement. However, the Provider shall use its best efforts to ensure that all Games are sourced to Licensee without unreasonable delay.
- 3.7 Licensee understands that not all currencies may be supported for gameplay by Game Vendors, and Licensee acknowledges that lack of support of certain currencies on a Game Vendor's side does not constitute a breach of the Agreement.

4. Licensee's Obligations

- 4.1 Subject to Provider rendering Support Services as required by Clause 3.1, within forty-five (45) business days following the Effective Date, Licensee shall integrate the Games into the Licensee's gaming platform pursuant to the API and Documentation provided under this Agreement.
- Integration of the Games shall, at all times, remain the responsibility of Licensee and the Provider shall be under no obligation to provide such services and shall have no liability to the Licensee in respect of the Licensee's integration activities.
- 4.2 After the integration has been completed, Licensee shall provide written notice thereof to Provider, after which Provider shall promptly complete its quality testing of the integration. Licensee, in turn, shall use commercially reasonable efforts to have the Games tested within the Licensee's gaming platform in production mode.
- Notwithstanding anything to the contrary, until Provider issues a written notice of approval to Licensee, the Licensee shall not "go live" with the Games or permit any Player to access any of the Games.
- 4.3 Licensee acknowledges Provider's right to update the API and Documentation and agrees to comply with updated APIs. The Provider shall notify the Licensee well in advance of any upcoming API changes.

- 4.4 Licensee agrees to add without undue delay all new Games as may be provided by Game Vendors or Provider through periodic new game releases, provided that such new games may be supported by the Licensee's gaming platform.
- 4.5 Licensee shall be obliged to indicate in all its Gaming Websites that the games are provided by respective Game Vendors in the formula that shall be agreeable to the Provider.
- 4.6 It is understood that the Licensee or its Sub-licensees shall provide to Players all of the following but not limiting: payment processing and wallet functions, first-line support, fraud screening and control, etc. and in general ensure that Players have a successful experience.
- 4.7 **Provision of some Games is subject to written approval from certain Game Vendors** (in particular but not limited to NetEnt and iSoftBet), which requires due diligence checks. In case such Game Vendor acting reasonably requires due diligence on the Licensee, the Licensee shall present to the Provider complete **Know Your Customer Documentation ("KYC Documentation")** requested. Such KYC Documentation may include without limitation details regarding the Ultimate Beneficial Owner (UBO), source of funds of the UBO, details of directors and authorized signatories, corporate organizational structure, Anti-Money Laundering and Combating the Financing of Terrorism policies specifying the processes adopted to identify its Players and accounts. In the event that either KYC Documentation is not provided within the stipulated time or such documentation is not to the reasonable satisfaction of the Game Vendor in question, access to respective Games may be denied.
- 4.8 Each Game Vendor has a list of territories where access to the Games must at all times be blocked ("**Excluded Territories**"). Information on Excluded Territories will be communicated to the Licensee well in advance, but may be updated from time to time.
- The Licensee or its Sub-licensees **shall not display or offer** the Games on its Gaming Websites to visitors from Excluded Territories, strictly in accordance with the requirements of Game Vendors. To do this, the Licensee undertakes to utilize best-in-class commercially available geolocation methods in order to identify the location of Players in real time.
- Failing to comply with this Section 4.8 may result in suspension of certain Game Vendor's games or termination of the Agreement with immediate effect.
- 4.9 Additionally, Licensee shall at all times, when marketing the Games to its Players, adhere to Marketing Rules set out in **Appendix D**. The Licensee shall also ensure that its Sub-licensees, marketing partners and agents understand and adhere to the Marketing Rules. Failing to do so may result in permanent suspension of Games from a certain Game Vendor or termination of this Agreement.

5. Fees Payable under the Agreement

- 5.1 Licensee undertakes to pay to the Provider a **Setup Fee** for provision of the Games in the amount specified in **Appendix B**.

The Setup Fee is due upon receipt of the invoice issued by the Provider after signing the Agreement, and is payable within five (5) business days following the issuance date of the invoice.

- 5.2 Licensee undertakes to pay to the Provider a non-refundable **Upfront Deposit** in the amount specified in **Appendix B**. This amount serves as a guarantee deposit and shall fully count towards future monthly commission fee payments under this Agreement.

The Upfront Deposit is due upon receipt of the invoice issued by the Provider after signing the Agreement, and is payable within five (5) business days following the issuance date of the

invoice.

- 5.3 The Licensee undertakes to pay to the Provider a **monthly fee** (“**Monthly Commission Fee**”) from the Gross Gaming Revenue generated by the use of the Games. Such fees are specified in **Appendix B**.

Unless stated otherwise in Appendix B, **Gross Gaming Revenue** (“**GGR**”) for a calendar month shall mean the total amount of wagers placed by all players while playing a particular Game Vendor’s games, less the total amount of winnings returned as a result of those wagers.

The Monthly Commission Fee is due upon receipt of a monthly invoice issued to the Licensee by the Provider for previous calendar month, and is payable within five (5) business days following the issuance date of the invoice.

- 5.4 All fee amounts shall be calculated in Euro. In case the Licensee receives revenue in other currencies, including cryptocurrencies, monthly revenue amounts and fees for the previous month shall be converted to Euro and fixed according to the Euro exchange rates effective as of 00:00 GMT on the 1st day of the current month. - 5.5 The Parties agree about the possibility of a review of fees listed in Appendix B upon mutual agreement.

6. Copying and Alternation

- 6.1 The Licensee is prohibited from making copies of the Games, whether in part or in whole and for any reason whatsoever. Solely Provider or Game Vendors are at all times permitted to modify their respective Games. The Licensee is prohibited from translating, adapting, varying, modifying, disassembling, decompiling or reverse engineering of Games, its components, applications or derivatives.

The Provider, being the exclusive owner and developer of BGAMING Games and the API along with Documentation, shall at all times retain full Intellectual Property Rights over them, including any modifications or additions hereto.
- 7.2 Licensee undertakes to immediately notify the Provider upon the Licensee becoming aware of any unauthorized use of the whole or any part of the Games, API or Documentation, or of any infringements or suspected infringement of copyrights, trademarks or other Intellectual Property Rights in relation to any of the Games, API or Documentation.

8. Warranties

- 8.1 The Provider warrants that the API provided to Licensee under the Agreement is sufficient for

the Licensee to perform integration of the Games. The Provider also warrants it will use its commercially reasonable endeavours to ensure the Games operate substantially in accordance with this Agreement.

8.3 Licensee shall take all necessary measures in regard to its products and services to be at all times used solely in compliance with all applicable laws, rules and regulations (in particular all gaming, gambling and betting laws), in particular as regards the provision of the Licensee's services to End Users. Licensee represents and warrants to the Provider that the execution, delivery and performance by the Licensee of this Agreement in connection with providing gaming services will not violate or result in a breach of or constitute a default under any law to which the Licensee is subject to.

8.4 Licensee warrants that it holds the required regulatory, administrative and all other approvals, including gaming, gambling and betting licenses, permits and trade licenses, for the purposes of offering the intended Games in the jurisdictions where the Licensee offers such services to End Users, and that such licenses and permits are in good standing.

8.5 Licensee represents and warrants that it shall at all times comply with the requirements of the Anti-Money Laundering Directive of the European Union and any legislation that shall succeed such legislation from time to time ("AML Legislation"). In particular, Licensee shall perform adequate KYC checks on Players as may be required by the AML Legislation.

8.6 Licensee warrants that it shall at all times undertake all necessary measures in order not to offer the Games on respective Excluded Territories, and that it shall ensure that its Sub-licensees do not offer the Games on respective Excluded Territories.

8.7 Licensee shall be liable to indemnify and hold the Provider harmless from and against all liabilities, costs, damages, claims and expenses directly or indirectly resulting from any non-compliance with any such applicable laws, rules and regulations as laid out in Sections 8.3 to 8.6 herein.

- 9.6 The recipient Party shall return to the disclosing Party any and all records, notes, and other written, printed or other tangible materials in its possession pertaining to the Confidential Information or shall destroy such information and copies on the written request of the disclosing Party or upon termination of this Agreement. If the Licensee fails to give a prior notification or submit the requested information on the new shareholders, the Provider reserves the right to consider such transfer to be a breach of the Agreement and terminate the Agreement.

14.4 Amendments

This Agreement may not be amended, varied or modified in any manner except by a supplement agreement in writing signed by a duly authorized officer or representative of each of the Parties.
