Licensees publicly claiming to offer the CADRE service without a valid subscription will incur a penal fee equivalent to two annual subscription fees and will be reported to the relevant authorities.

CADRE will provide the CGA regularly with a list of all licensees which have subscribed to the services in compliance with the ADR Policy.

B2C Operators are required to implement a Disputes Procedure. This procedure should clearly explain to the Player when and how to take a dispute to the ADR. We recommend adjusting the Terms and Conditions accordingly and to use a clause similar to the example given below.

Should a Player feel that the dispute was not resolved to his satisfaction, the Player can refer the dispute to CADRE. CADRE is an independent alternative dispute resolution entity. The dispute resolution procedure at CADRE is free of charge for the Player independent of the outcome.

Decisions of CADRE are binding upon Operator and Player. The procedure before CADRE does not restrict or prejudice the Player's right to bring proceedings against the Operator in any court of competent jurisdiction

The annual subscription fee and/or the hourly fees are detailed in the current fee schedule. They are accepted by entering into this agreement.
