1 GENERAL

Company's information and principal activities

The Company is a limited liability company that was incorporated on January 22, 2019 under the laws of Curaçao.

The Company is registered with the Chamber of Commerce and Industry of Curaçao under number 149132.

Principal activities

To organize, market, promote, manage, support and operate all types of remote and stationary gaming activities, and sports betting activities, comprising of all types of games, betting transactions, and other operation of betting exchanges, interactive casinos, bingos, lotteries, poker and other interactive games and to carry out any activities ancillary thereto by offering goods or services to persons who participate in licensed online gaming, for clients established 'or residing outside of Curaçao.

2 BASIS OF PREPARATION

a. General principles

The Financial Statements have been prepared in accordance with Book 2 of the Curaçao Civil Code using the Guidelines for annual reporting of the Dutch Accounting Standards Board.

b. Functional and presentation currency

The Financial Statements are presented in Euro (EUR) which is the functional currency of the Company.

3 SIGNIFICANT ACCOUNTING POLICIES

a. General

The principal accounting policies adopted in the preparation of these Financial Statements are set out below. These policies have been consistently applied to all years presented in these Financial Statements unless otherwise stated.

Assets and liabilities are stated at face value unless indicated otherwise.

BRECKENRIDGE Curaçao B.V.

Notes to the Financial Statements 2024

(In EUR)

b. Intangible fixed assets

Acquired intangible assets

Intangible assets acquired separately consist mainly of software licenses and domain names and are capitalized at cost. Those acquired as part of a business combination are recognized separately from goodwill if the fair value can be measured reliably. These intangible assets are amortized over the useful life of the assets, which for software licenses is between one and five years and for domain names is five years.

c. Internally generated intangible assets

Expenditure incurred on development activities of the gaming platform is capitalized only when the expenditure will lead to new or substantially improved products or processes, the products or processes are technically and commercially feasible and the Company has sufficient resources to complete development.

All other development expenditure is expensed. Subsequent expenditure on intangible assets is capitalized only where it clearly increases the economic benefits to be derived from the asset to which it relates. The Company estimates the useful life of these assets as between three and five years,

d. Financial fixed assets

The investments in subsidiaries are stated at cost price.

e. Receivables

Receivables are valued at face value less a provision for possible uncollectable accounts.

f. Cash and cash equivalents

Cash and cash equivalents are stated at face value.

g. Shareholders' equity

Ordinary shares are classified as equity.

h. Current liabilities

On initial recognition current liabilities are recognized at fair value. After initial recognition current liabilities are recognized at the amortized cost price, being the amount received taking into account premiums or discounts and minus transaction costs. This is usually the nominal value.

i. Recognition of income and expenses

Revenue

The services provided by the Company comprise online sports betting and casino games. Revenue from sports betting activities represents the net gain or loss from betting activities in the year plus the gain or loss on the revaluation of open positions at year end, and is net of the cost of customer promotions and bonuses incurred in the year.

BRECKENRIDGE Curaçao B.V.

Notes to the Financial Statements 2024

(In EUR)

Revenue from online casino's represents net winnings being amounts staked net of customer winnings and is net of customer promotions and bonuses incurred in the year.

Other income and expenses, including taxation, are recognized and reported in accordance with the accrual concept.

j. Cost of sales

Cost of sales consists primarily of gaming duties, payment service providers' commissions, chargebacks, commission and royalties payable to third parties, all of which are recognized on an accruals basis.

k. Operating expenses

Operating expenses consist primarily of staff costs and corporate professional expenses, both of which are recognized on an accruals basis.

l. Foreign Currencies

1) Functional and presentation currency

Items included in the Company's Financial Statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The Financial Statements are presented in Euro (EUR), which is the Company's functional and presentation currency.

2) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the transaction at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognized in profit and loss.

m. Profit tax

The profit tax expense represents tax payable for the year based on currently applicable tax rates.

n. Dividends

Interim dividends are recognized in equity in the year in which they are approved by the Company's Directors. Dividend distribution to the Company's shareholders is recognized in the Company's Financial Statements in the year in which they are approved by the Company's shareholders.
