

Game Name :- GOLDEN-HOT-POTS

Game Matrix : -3x5

Base Game:-

Money symbols landing anywhere in the screen are collected if there is one or more Wild symbol appear on any reel.

Cash Coins are collected as many times as number of wild symbols in the reel display. Cash Coins winnings are collected in addition to the regular line wins.

FREE Game:-

3,4,5 scatter symbols trigger the 8,10,15 free spins respectively.

During Free Spin, each Wild symbol appears with a Win

Multiplier which applies to Cash Coin winning collected by them.

GOLDEN COIN BONUS :-

During base game or free game, 6 or more cash symbols will trigger the Golden Coin Bonus.

All ,Money symbols hold their positions as appeared in the triggering spin. Golden Coin Bonus starts with 3 re-spins.

During the re-spin, money or wild symbols can be collected.

If new positions is collected with a COIN or WILD symbol,they hold their positions and re-spin count is reset to 3.

Bonus round continues until Money or Wild is collected on all positions or there are re-spins remaining.

All positions held with wild reveals a multiplier. Cash Coin winnings are multiplied by the multiplier revealed by the collecting wild symbol.

If no wild symbol held on any position, all cash coins are collected once to award winnings.
