

IGAMING CLOUD NV

IgamingCloud N.V. hereby declares that the business is funded through the proceeds of its previous and ongoing operations, as well as through revenue share agreements with B2C clients utilizing both the Player Account Management (PAM) system and the sportsbook platform. Funding for the company is provided entirely by the company's own operations and agreements with its business clients, with no undisclosed third-party contributions.

The company confirms that it is in good standing and fully compliant with all applicable tax obligations and social contributions in its jurisdictions of operation.

Regarding the source of funds, IgamingCloud N.V. confirms that its wealth derives from its business activities, as well as the business activities of affiliated companies within the group, which provide platform and sportsbook solutions to iGaming operators. All funds utilized in the company's operations originate from legitimate commercial activity and contractual arrangements within the regulated iGaming industry.

This declaration is made in good faith and accurately reflects the financial standing, funding sources, and regulatory compliance of IgamingCloud N.V.
