RE: **Mamba Edge B.V.**

Willemstad, December 6th, 2024

Dear Sirs,

This declaration confirms both the Wealth (SoW) for the investment into **Mamba Edge B.V.** The project has been fully financed from the personal funds of the Ultimate Beneficial Owner (UBO), derived from their individual earnings through a personal loan.

The details of their contributions are as follows:

Source of Wealth: The company was established in 19 February 2024. Its wealth originates from the UBO's own personal loan. (Aleksandr Loginov)

Rationale for Investment: My investment in Mamba Edge B.V. is part of a strategic expansion in the online casino industry. While there is a possibility of incurring financial losses associated with funds allocated for registration and other typical online gaming company expenses at first, measures have been implemented to minimize risks.

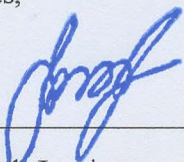

Planned Financing

The UBO has contributed funds to cover the initial setup and operational expenses.

The business is expected to generate sufficient cash flow to cover ongoing expenses and ensure sustainable growth.

I trust this declaration provides the necessary clarity regarding the Source of Funds and Source of Wealth for this project. Should you require any additional information, please do not hesitate to contact us.

Kind regards,

Mr. Aleksandr Loginov

Executive Directors of **Mamba Edge B.V.**
