

Player Complaints Policy

At **Flybergom B.V.**, we are committed to providing an exceptional gaming experience. We strive to ensure your satisfaction, but if you need to raise a concern, this policy outlines the process in compliance with Article 5.3 of the National Ordinance on Games of Chance (LOK) and the Curaçao Gaming Authority (CGA) requirements, ensuring transparency, fairness, and access to free alternative dispute resolution (ADR) services.

Submitting a Complaint

You may file a complaint at no cost within six (6) months of the incident. For peer-to-peer games (e.g., poker) or ante post fixed odds betting, this period begins after bet settlement or event conclusion. For in-running sports betting, we recommend prompt submission due to limited investigation data. Only registered players may submit complaints; third-party complaints are not accepted.

To lodge a complaint, please complete the Complaints Submission Form and email it to our customer support team at support@th.parimatch.com. For inquiries, you may also reach us via Live Chat, available 24/7 at th.parimatch.com. In the form, please provide:

- Your full name, address, and account number.
- Date of the complaint and the disputed event.
- A clear description of the issue.
- Supporting evidence, such as screenshots.

If you need assistance with the form, our support team is ready to help.
