ANNUAL REPORT AND UNAUDITED ANNUAL ACCOUNTS

NOTES TO THE ACCOUNTS

Selected notes to financial statements as of and for the periods ending 31 December 2022 and 31 December 2021.

1. General Information

Brasiltech N.V., Curaçao is a limited liability company, incorporated in Curaçao since November 4th, 2020, with registration number **155732**, registered address on Zuikertuintjeweg Z/N (Zuikertuin Tower), Curaçao.

The company's object is to organize, market, promote, manage, support and operate all types of remote gaming activities, comprising of all types of games, betting and other operation of betting exchange, interactive casinos, bingos, lotteries, poker and other interactive games.

2. Basis of preparation

The financial statements have been prepared in accordance with International Accounting Standards. The financial statements have not been audited.

These financial statements have been prepared based on a going concerned basis. This going concerned basis of preparation assumes the company will continue its operations for the foreseeable future and will be able to realize its assets and discharge its liabilities and commitments in the normal course of business.

The Company's financial statements are presented in Euros (EUR), which is the presentation and functional currency of the Company.

3. Summary of significant accounting policies

3.1. Revenue Recognition Policy

Revenue comprises the fair value of the consideration received or receivable for the supply of services in the ordinary course of the Company's activities. The Company recognizes revenue, including other operating revenue, when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and when specific criteria have been met as described below.

The uncertainty on the amount of revenue to be received is resolved at each calendar month end since the contracts are such that the amounts reset to zero on a monthly basis. Accordingly, it is appropriate for the Company to recognize the monthly amounts invoiced in the P&L.

3.2. Cash and cash equivalents

Cash and cash equivalents include cash, bank deposits, and other cash applications that can be immediately mobilized with insignificant risk of loss of value.

BRASILTECH N.V.

ANNUAL REPORT AND UNAUDITED ANNUAL ACCOUNTS

3.3. Accounts receivable and accounts payable

Accounts receivable and accounts payable are principally short-term amounts relating to the settlement of transactions. They are recognized on a trade date basis and subsequently accounted for at amortized cost until their settlement.

Accounts payable are recognized initially at fair value, being subsequently recognized at amortized cost, discounted by any interest calculated and recognized in accordance with the effective interest rate method.

3.4. Accrual accounting

Expenses and income are recognized in the year they relate to, in accordance with the principle of accrual accounting, irrespective of when the transactions are invoiced. Expenses and income for which the real value is not known are estimated.

Expenses and income imputable to the current year where the expense and income on which will only take place in future periods, together with the expenses and income that have already occurred, but which relate to future periods and which will be imputed to the results of each of these periods, for the value corresponding to them, are stated in the deferrals captions.

Financial interest and income are recognized in accordance with the principle of accrual accounting and in accordance with the effective interest rate applicable.

3.5. Events after the balance sheet date

Events that occur after the balance sheet date and which provide additional information regarding conditions that existed on the balance sheet date are reflected in the financial statements. Events which occur after the balance sheet date which provide information on conditions that may occur after the balance sheet date, that do not result in adjustments, are disclosed in the financial statements, if they are considered material.

4. Cash and cash equivalent

The company did not have any bank accounts opened as of 31.12.2022.

5. Capital

The company capital is constituted of 10 ordinary shares, with a nominal value of 1,00 USD (United States Dollar) and was fully paid as of 31 December 2022.
