Subject: Formal Request for Cancellation of License OGL/2024/275/0333

Dear Sir/Madam,

Through this letter, Betfast N.V., represented by its Managing Director Elite Management B.V., in turn represented by Kevin J. Goncalves Segredo, hereby formally requests the cancellation of license OGL/2024/275/0333.

The shareholder group overseeing Betfast N.V. has strategically consolidated its gaming operations under a licensed structure in Brazil, following the regulatory framework that recently entered into force in that jurisdiction. As part of this transition, Betfast N.V. ceased all operational activity on December 24, 2024, and no longer intends to maintain operations, licensing obligations, or regulatory presence in Curaçao. Maintaining the Curaçao license is therefore no longer aligned with the group's business objectives.

1. Outstanding Player Claims and Player Deposits

We hereby confirm that Betfast N.V. has no outstanding player claims or pending player deposits.

Following the regulatory changes in Brazil, all player accounts, balances, and operational responsibilities were fully migrated and consolidated under the Brazilian licensed structure prior to the cessation of activity.

Betfast N.V. does not hold, manage, or service any player funds, nor does it have any pending player-related obligations.

2. Handling of Outstanding Obligations

Since all accounts and balances were transferred to the Brazilian operation, there are no outstanding obligations of any kind remaining under Betfast N.V., whether financial, operational, or compliance-related.

3. Transfer of Player Database

The player database was securely transferred to the Brazilian licensed operator in accordance with applicable data protection requirements. Betfast N.V. no longer retains any player data. (If required, a formal confirmation of this transfer can be provided.)

4. Other Outstanding Issues

We confirm that there are no outstanding regulatory, compliance, financial, or operational matters related to Betfast N.V. that would impede the cancellation of the license.

We respectfully request that the Curaçao Gaming Authority proceed with the cancellation of license OGL/2024/275/0333. We remain available to provide any additional clarification or documentation if needed.

Thank you for your cooperation.

Kind Regards,

Elite Management B.V.

Managing Director of Betfast N.V.
