

Dear Curaçao Gaming Authority,

This notification is submitted in accordance with the National Ordinance on Games of Chance (Landsverordening op de Kansspelen, LOK) and the relevant licensing requirements.

I hereby notify you, acting on behalf of Favorit United N.V. (the "Licensee"), duly licensed under the National Ordinance on Games of Chance, of the decision to suspend and discontinue the licensed gaming project operated under the domain **lope.bet**.

Please be advised that the project terminated its operations effective as of 8 April 2026. The registration functionality on the website has been disabled, and new player registrations will no longer be accepted.

All existing players have been appropriately informed of the project's closure through notices published on the website as well as direct communications. Business partners have been notified through direct correspondence and relevant announcements.

Furthermore, the total amount of player deposits currently held by the Licensee amounts to 247,200.00 EUR (two hundred forty-seven thousand and two hundred euro 00 eurocents). All reasonable measures are being undertaken to ensure the proper reconciliation and settlement of such balances in accordance with applicable regulatory requirements.

The Licensee further informs that the transfer of the players' database is not applicable.

The Licensee confirms that, as of the date hereof, there are no outstanding regulatory, operational, or financial issues that may materially affect its obligations towards players or the regulator.

The Licensee confirms that any withdrawal requests submitted by players after 8 April 2026 will continue to be handled through the customer support channel, subject to successful player verification and in full compliance with applicable AML/CFT obligations.

The decision to close the project has been taken for business reasons. In this regard, the Licensee hereby notifies the Curaçao Gaming Authority of its intention to make use of the voluntary suspension procedure in respect of the above-mentioned project.

Should the Curaçao Gaming Authority require any further information, documents, or clarification in relation to this notification, we remain available to assist.
