To whom it may concern,

I am writing to provide further clarification regarding the recent updates to the company structure and to ensure that the Gaming Control Board (GCB) has the most accurate and up-to-date information for their perusal.

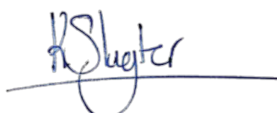

Kindly disregard both entries under the company structure that were uploaded on the 15th and 18th of January. Additionally, I want to bring to your attention that the entity listed as "Aktora Management Ltd" on the 15th of January company structure document has been liquidated.

Therefore, please consider the attached document as fully reflective of the current customer structure as of today's date. We have made every effort to ensure the accuracy and completeness of this information for your review.

Should you have any questions or require further clarification regarding the updated company structure, please do not hesitate to reach out to me directly.

Thank you for your attention to this matter, and I look forward to any feedback or input you may have.

Sincerely,
