Re: Withdrawal of License Application under the National Ordinance for Games of Chance (LOK)

Dear Members of the Gaming Control Board,

We write on behalf of *Moonlite N.V.*, a company incorporated in Curaçao with registration number *140186*, to formally notify you of our intention to **withdraw the Company's application for a license under the National Ordinance for Games of Chance (LOK)**, application number **[OGL/2024/356/0288]**

The Company was previously operating under a sublicense issued pursuant to the legacy framework and was recently approved for a direct license under the new LOK regime, pending issuance of the Green Seal.

However, prior to activation of this license, the shareholders have taken a strategic decision to **fully divest from the online gaming sector**. As part of this restructuring, the Company's operating assets have been sold to a third party licensed by the Anjouan regulatory authority.

In light of this, the Company no longer intends to offer, promote, or operate any gaming activities under the Curaçao regulatory framework. Accordingly, we respectfully request the withdrawal of our license application and closure of the corresponding file. Accordingly, we respectfully request that our application be withdrawn and closed in your records.

We confirm that:

- All gaming operations under the Company's authorization have been **permanently ceased**;
 - The Company holds **no active player accounts, balances, or outstanding player liabilities**;

- All relevant **systems, platforms, and technical infrastructure have been decommissioned**, and no services are hosted within the territory;
- There are **no unresolved disputes, complaints, or enforcement matters** involving the Company known to us at the time of this submission.

We would appreciate receiving written confirmation of this withdrawal, along with any final procedural steps, if necessary.

We remain at your disposal should the Board require any further clarification.

Yours faithfully,

6/16/2025
