Re: Withdrawal of License Application under the National Ordinance for Games of Chance (LOK)

Dear Members of the Gaming Control Authority,

We write on behalf of **Moonlite N.V.**, a company incorporated in Curaçao with registration number **140186**, to formally notify you of the Company's decision to **withdraw its application for a license under the National Ordinance for Games of Chance (LOK)**, application number **OGL/2024/356/0288**.

The Company was previously operating under a sublicense issued pursuant to the legacy framework and was recently approved for a direct license under the new LOK regime, pending issuance of the Green Seal. However, prior to activation of the license, the **Ultimate Beneficial Owners have taken a strategic decision to exit the online gaming industry in its entirety**. This decision forms part of a broader commercial repositioning, and the Company's **operating assets have been sold to a third party licensed by the Anjouan regulatory authority**.

As a result of this complete divestment:

- The Company no longer intends to offer, promote, or operate any gaming activities under the Curaçao regulatory framework;
- All gaming operations previously conducted under the Company's authorization have been permanently ceased;
- The Company holds no active player accounts, player balances, or outstanding player liabilities;
- All technical infrastructure and related systems have been decommissioned and are no longer hosted in Curaçao;

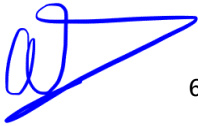

- To the best of our knowledge, there are no outstanding complaints, disputes, or enforcement matters involving the Company at this time.

We therefore respectfully request the withdrawal of our license application and the closure of the associated file in your records.

We would appreciate receiving written confirmation of this withdrawal, along with any final procedural requirements.

Should the Board require any further information or clarification, we remain at your disposal.

Yours faithfully,

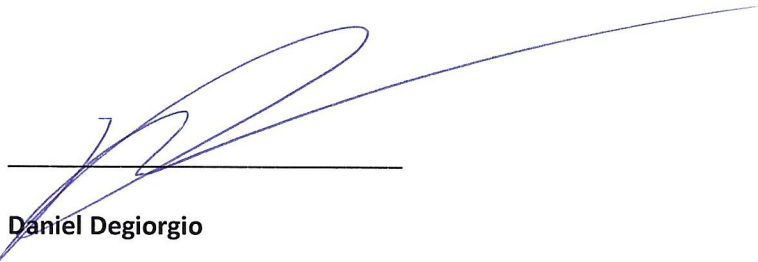

6/19/2025

For and on behalf of Moonlite N.V.

Andrea Maria Engelhardt

Authorized Signatory

eMagnus Curacao B.V. (Director of Moonlite N.V.)
