Without derogating from the generality of the aforesaid, the Licensee irrevocably assigns to the Licensor all rights, title, goodwill and interest it may have or may acquire in and to all such rights, including, without limitation, patent, copyright, trademark, trade secret or know how.
- 5.2. The Licensor reserves any and all rights not expressly granted herein, including, without limitation, any and all rights to the source code of the Gaming Service, modification rights, translation rights, rental rights or any other rights. Further, nothing in this Agreement shall be construed to confer any rights upon the Licensee or any third party by implication, estoppel or otherwise, except as specifically stated.

6. Confidentiality

- 6.1. The Licensee shall not disclose Confidential Information to any person or entity except its employees or consultants, or those of its wholly-owned companies (directly or indirectly), who are required to have the Confidential Information in order to assist it in acting as contemplated by the Agreement, and only to the extent necessary. Prior to disclosing any Confidential Information to such employees or consultants, the Licensee shall all have ensured that they are aware of the provisions of this Agreement and have signed non-disclosure agreements with non-use and non-disclosure terms substantially similar to those contained in this Agreement. The Licensee shall bear full responsibility and liability for the actions of such employees and consultants concerning the Confidential Information, at all times, regardless of termination of any labor, employment or other relationship with any such employees and consultants. The Licensee shall treat the Confidential Information as strictly confidential and with at least the degree of care that it treats similar materials of its own in order to prevent unauthorized disclosure of Confidential Information to others, or a higher standard of care if reasonable under the circumstances.
- 6.2. Licensee shall not use Confidential Information for its own use or for any purpose except as contemplated by the Agreement.
- 6.3. Without derogating from the Licensor's rights under law or under this Agreement, the Licensee shall immediately notify the Licensor upon discovery of loss or unauthorized disclosure or use of Confidential Information.

- 6.5. The Licensee grants the Licensor a limited right to use and process any of the Licensee's Gaming Data solely for the purposes of this Agreement and for use in aggregate form for research and game development purposes and for record maintenance and analytical purposes only as may be needed.

7. Limitation of Liability and Additional Covenants

- 7.1. THE LICENSEE ACKNOWLEDGES THAT THE GAMING SERVICES AND ANY OTHER ITEMS USED OR PROVIDED IN CONNECTION WITH SUCH GAMING SERVICES OR THE PERFORMANCE OF ANY SERVICES HEREUNDER ARE PROVIDED "AS IS", AND THE LICENSOR DOES NOT

WARRANT THAT THE USE OF ANY GAMES OR GAMING SERVICES FURNISHED IN CONNECTION WITH THIS AGREEMENT WILL BE UNINTERRUPTED OR ERROR-FREE. FOR THE AVOIDANCE OF DOUBT, THE LICENSOR SHALL NOT BEAR ANY LIABILITY TO THE LICENSEE OR ANY OF THE LICENSEE'S AFFILIATES (INCLUDING, BUT NOT LIMITED TO, SUBSIDIARIES, EMPLOYEES, DIRECTORS, SHAREHOLDERS, SERVICE PROVIDERS, ETC.) FOR THE PROVISIONS OF THE SERVICES MENTIONED IN THIS AGREEMENT.

- 7.2. THE LICENSOR PROVIDES NO REPRESENTATIONS OR WARRANTIES WITH RESPECT TO THE GAMING SERVICES OR ANY OTHER PRODUCTS, GAMES, DELIVERABLES OR SERVICES PROVIDED BY THE LICENSOR, AND THE LICENSOR SHALL BEAR NO LIABILITY WITH RESPECT TO ANY AND ALL DAMAGES WHICH MAY BE INCURRED PERTAINING TO THIS AGREEMENT, SUCH AS AND INCLUDING ANY DIRECT DAMAGES AND ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL AND PUNITIVE DAMAGES AND ANY LOSS OF PROFITS (WHETHER DIRECT OR INDIRECT), LOSS OF ANTICIPATED SAVINGS, LOSS OF BUSINESS OPPORTUNITY AND LOSS OR CORRUPTION OF DATA. THE LICENSEE ACKNOWLEDGES THE ABOVE AND CONFIRMS THAT THE FINANCIAL TERMS OF THIS AGREEMENT TAKE INTO ACCOUNT SUCH LIMITATION OF LIABILITY.
- 7.3. NOTWITHSTANDING ANY OTHER CLAUSE IN THIS AGREEMENT, IN NO EVENT WILL THE LIABILITY OF THE LICENSOR TO THE LICENSEE FOR ANY CLAIM EXCEED THE TOTAL SUM OF THE LOWER OF (A) €50,000 (FIFTY THOUSAND EURO) AND (B) THE PAYMENTS RECEIVED FROM THE LICENSEE BY THE LICENSOR IN THE 6 (SIX) MONTH PERIOD PRECEDING ANY CLAIM (HEREINAFTER THE '**MAXIMUM LIABILITY CAP**').
- 7.4. Without limiting any of the Licensor's other rights and remedies hereunder or under Licensor Applicable Law, the Licensee agrees to defend the Licensor and its shareholders, directors, officers, employees and other representatives against all suits, claims or other actions filed against them regarding the Licensee's actions or omissions, and further agrees to indemnify the Licensor and the Licensor's affiliated parties upon written demand, and to hold them harmless from any damages, losses and expenses, including reasonable attorneys' fees, and those payable to a third party by the Licensor or any party affiliated to the Licensor, including any claim by a third party purporting a breach of the Licensee's warranties or undertakings in this Agreement and/or breach of this Agreement. For the avoidance of doubt, the Licensee shall remain liable to the Licensor at all times on the terms of this Agreement should a Licensed Operator carry out an act or omission which would constitute a breach by that Licensed Operator if it were a direct party to this Agreement.
- 7.5. If, during the Term of this Agreement and subject to Clause 3.8. above, Licensee becomes aware of any Software Defect, Licensee shall, within twenty-four (24) hours of becoming aware of such Software Defect, notify the Licensor in writing by sending an e-mail with SOFTWARE DEFECT NOTIFICATION in the header to support@pragmaticplay.com, and to livecasinosupport@pragmaticplay.com for Live Casino, and shall provide to the Licensor detailed information regarding such Software Defect ("**Software Defect Notification**") and the Licensor shall be liable for correcting any such Software Defect in accordance with the service levels set out in Schedule 6 of this Agreement. Notwithstanding the foregoing, where such Software Defect is (a) not solely attributable to the Licensor; and/or (b) results from incorrect use of the Gaming Platform or from the use of the Gaming Platform in combination with any other system or software; and/or (c) the Software Defect Notification is not provided by the Licensee to the Licensor in accordance herewith, no liability shall be borne by the Licensor, whether under this Agreement or otherwise. For the avoidance of doubt, the notification requirements set out herein shall apply to (i) any single win by an End User on a Game that is not a Large Win (as defined hereunder); and (ii) any Software Defect which does not result in an erroneous win or overpayment to an End User.
- 7.6. With respect to any single win by an End-User on a Game which exceeds the amount of ten thousand Euro (€10,000) (a "**Large Win**"), the Licensor shall only be liable under the terms of this Agreement (subject always to the Maximum Liability Cap) when the Licensee has duly complied with the procedure stipulated as follows:
 - a) Upon a Large Win taking place Licensee shall within twenty-four (24) hours notify the Licensor

by sending an e-mail with LARGE WIN NOTIFICATION in the header to support@pragmaticplay.com, and to livecasinosupport@pragmaticplay.com for a Large Win on Live Casino, of the same (“**Large Win Notification**”) and shall provide sufficient information to enable Licensor to determine whether the Large Win is a result of a Software Defect or other defect or error that the Parties should be aware of for the purposes of (i) the Licensor remedying such error or defect; (ii) determining the Licensor’s liability in accordance with the Maximum Liability Cap; and (iii) enabling the Licensee to enforce its terms and conditions in order to withhold or decline payment of a Large Win on the basis that it results from a Software Defect.

- b) If Licensor, within a forty-eight (48) hours period from the date of receipt of the Large Win Notification (i) Approves the Large Win; or (ii) fails to respond to the Large Win Notification within such forty-eight (48) hours period, then the Large Win shall be deemed to be legitimate (and therefore not the result of a Software Defect).
- c) If Licensee (i) has failed to provide the Large Win Notification, or (ii) paid the Large Win without having waited forty-eight (48) hours as stipulated in sub-clause (b) above; or (iii) has made the payment in any event after receiving a Disapproval from the Licensor; or (iv) Licensee has made a payment to an End User which is not the result of a Software Defect; or (v) Licensee has not complied with Clause 3.8., then Licensor shall have no liability to Licensee, and Licensor shall not be required to compensate Licensee for any losses incurred as a result of such Large Win(s). In such case, Licensee accepts full responsibility and liability and has no recourse to seek reimbursement from the Licensor for such payment.

7.7. If any claim or potential claim is brought, threatened or notified against or to the Licensee in respect to which liability may be sought from the Licensor pursuant to this Agreement, including but not limited to those claims made under this Clause 7 (“**Claim**”), the Licensee must notify the Licensor in writing within seven (7) days of receipt by Licensee of documentation of the Claim and prior to responding to the party making the Claim. Licensee shall cooperate with the Licensor in all reasonable respects in connection with the defence of the Claim. The Licensor may, upon written notice thereof the Licensee, undertake to conduct all proceedings or negotiations in connection therewith, assume the defence thereof, and, if it so undertakes, it shall also undertake all other required steps or proceedings to settle or defend any such Claim, including the employment of counsel at the Licensor’s expense. For the avoidance of doubt, Licensee may not undertake any action in response to any Claim except as set out in this Clause and may not admit liability in respect of such Claim and shall not agree to any compromise or settlement of any such Claim. Non-observance of this Clause by the Licensee shall result in loss of the Licensee’s rights to compensation under this Agreement. For the avoidance of doubt, no liability shall be borne by Licensor for any actions or losses incurred by the Licensee prior to the notification being received by the Licensor.

7.8. The Licensor shall have no obligation to compensate Licensee hereunder for claims based on (i) any Game, Gaming Service, or any other item or element, or portions thereof, not supplied by the Licensor as an integral part of the Gaming Platform, (ii) modifications and changes to any Game, Gaming Service, or any other item or element, or portions thereof, made in accordance with Licensee’s specifications, but against the Licensor’s recommendations, (iii) any Game, Gaming Service, or any other item or element, or portions thereof, modified by a party other than the Licensor and without the Licensor’s authorisation, to the extent the alleged infringement relates to such modification, (iv) any Game, Gaming Service, or any other item or element, or portions thereof, supplied by the Licensor when combined with other items not supplied by the Licensor, where the alleged infringement relates to such combination and not to the item supplied by Licensor, (v) Licensee’s continuing allegedly infringing activity after being informed of and offered modifications or reasonable alternatives that would have avoided the alleged infringement, (vi) Licensee’s use of the Gaming Platform not in accordance with this Agreement, (vii) third party products, or (viii) any act or omission not attributable to the Licensor, such as an act or omission of the Licensee in breach of this Agreement or of a third party.

7.9. Notwithstanding anything to the contrary in this Agreement, if a judgment is obtained by a third-party against continued use of any of the Gaming Services or part thereof for any reason including but not limited to third-party Intellectual Property Infringement or any software defect, the Licensor shall, at its sole discretion and at

no extra cost or liability, either:

- a) Modify the item or items which have been determined to be infringing so that they no longer infringe without loss of material functionality, performance or value to Licensee; or
- b) Acquire a license or licenses to provide the Licensee with such rights as may be necessary to eliminate the infringement; or
- c) Substitute non-infringing items of its own devising permitting continued use without material change to functionality or effectiveness; or
- d) Withdraw the offering of the Game(s) from the Gaming Platform.

Where a Game has been modified, replaced or withdrawn, the Parties agree that no additional costs or liability shall be borne by the Licensor, and the Licensee undertakes to mitigate any further loss (including legal expenses) it may suffer or incur as a result of any Claim, including under any liability set out in this Agreement.

8. Term and Termination

- 8.1. Term. This Agreement shall be effective from the Effective Date and it shall continue for an initial period of one (1) year (the '**Initial Period**'). - 8.4. Prior to termination by the Licensor pursuant to Clause 8.3(e), the Licensor shall notify the Licensee in writing thereof.

The Licensor may terminate this Agreement without liability to the Licensee but subject to the payment of any Fees still due to the Licensor, in the event that the licence issued by the Competent Authority to the Licensee is suspended, cancelled or revoked and not renewed or replaced at the same time.

- a) **Downtime** shall mean any period of time when a majority of the End Users are not able to make monetary deposits, login, register or play the Games as determined from an automated health monitoring and system logs;
- b) **Force Majeure** means any failure, interruption or delay in performance of any or all of the Licensor's obligations under this SLA to the extent arising out of circumstances beyond its reasonable control (including without limitation war, rebellion, acts of terrorism, riots, strikes, lockouts and industrial disputes, fire, explosion, earthquake, Act of God, flood, wind, drought, the act or order of any governmental, provincial, local or European Union authority or other regulatory body);
- c) **Response Times Matrix** shall have the meaning given to it in clause 5.1 of this SLA;
- d) **Service Level** shall have the meaning given to it in clause 4 of this SLA;
- e) **Service Uptime** shall have the meaning given to it in clause 3.2 of this SLA;
- f) **Period of Persistent Unavailability** shall have the meaning given to it in clause 3.5 of this SLA.

2. Scope of the Service Level Agreement

- 2.1. The purpose of this SLA is to set the minimum levels of availability of the Gaming Services to be provided by the Licensor to the Licensee under the Agreement.

3. Gaming Services Availability Level

- 3.1. The Licensor shall provide technical support services to the Licensee which shall include the maintenance of the operability of the Gaming Service for the consideration under Clause 4 of the Agreement.
- 3.2. Service Uptime for the Gaming Service shall not be less than 99.7% per month. Uptime % shall be calculated as follows: $100 - (\text{Unscheduled Downtime minutes in Month} / \text{Total minutes in Month}) * 100$.
- 3.3. Scheduled maintenance, system upgrades and other planned activities shall not constitute Downtime and hence shall not reflect on system availability as per the Response Times Matrix (detailed below in Clause 5 of this SLA).
- 3.4. For the avoidance of doubt, Licensee acknowledges and agrees that Licensor shall not be liable for any failure or delay of telecommunication networks or networks operators, or other similar circumstances outside Licensor’s reasonable control.
- 3.5. In the event that (i) there is more than two (2) Severity 1 incidents in one (1) Month; or (ii) the Service Uptime drops below 99.7% for four (4) Months in a row (“**Period of Persistent Unavailability**”), the Licensor shall develop and implement an action plan to improve the performance of the Gaming Service in line with the relevant Service Level in clause 4.

4. Service Levels

Service levels in relation to the operation of the Gaming Service shall be prioritized as follows:

Severity 1	Incidents are those, which result in, or can be reasonably expected to result in, one or more of the following consequences: i. The incident directly prevents the operation of the Gaming Services; or ii. A major function of normal operation of the Gaming Services has become unusable and there is no work-around availability.
Severity 2	Incidents that cause some minor functions to become unworkable and there is no known work-around (e.g., significant loss of service or function).

Severity 3	Incidents that cause a major function to become unworkable and there is an effective workaround (e.g., a minor loss of service or function).
Severity 4	Incidents that do not have substantial functional impact to the operation of the Gaming Services (e.g., the system is working largely as normal with minor loss of service).

5. Response Time

5.1. Response time for technical support shall be as follows:

Severity	Response Time			
Code	Level	First Level	Second Level	Final level (if required)
1	Urgent	Within 30 minutes	3 hours	Next production or maintenance release
2	High	4 hours	24 hours	Next production or maintenance release
3	Medium	12 hours	10 days	Next production or maintenance release
