Subject: Request for Voluntary Revocation of Gaming License No OGL/2024/364/0157

Dear Sir/Madam,

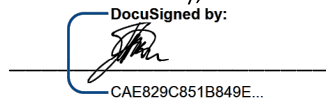

On behalf of Chancier BV, I, Yulia Tyukova, being the legal representative of the company, hereby formally request the voluntary revocation of Chancier B.V.'s Curaçao gaming license No. OGL/2024/364/0157, in accordance with Article 2.4, paragraph 2, sub e, of the National Ordinance on Games of Chance (Landsverordening op de Kansspelen, LOK) due to a change of licensing framework.

No player funds or deposits are outstanding, as the change relates solely to the licensing framework and gaming operations continue without interruption under the new licensed regulator. No player claims remain under the Curaçao license. Players will be informed of the change of license via a pop-up notification displayed on the website for a defined period. Players who accept the terms and conditions of the new regulator will continue to access and use the website without any change to their gaming experience, while those who do not will be given the option to withdraw their available balances. This process will remain in place for a period of ninety (90) days, ensuring sufficient notice and full protection for all players.

With respect to the transfer of the player database, this item is not applicable. We further confirm that there are no other outstanding issues, liabilities, or obligations associated with Curaçao gaming license No. OGL/2024/364/0157.

In light of the above, I kindly request the Curaçao Gaming Authority to proceed with the processing of the voluntary revocation of the license.

Yours sincerely,

CAE829C851B849E...

Yulia Tyukova, Director
f/obo Chancier B.V.
