

Cryptocurrency Usage Policy

Spinzz.com – Crowntech N.V.

Introduction

This Cryptocurrency Usage Policy governs the use of cryptocurrency as a payment method on Spinzz.com, which is operated by Crowntech N.V., a company registered under the laws of Curaçao with registration number 164246 and gaming licence No. OGL/2024/450/0238.

Spinzz.com allows players to use selected cryptocurrencies for deposits and withdrawals in a secure, transparent, and compliant manner. All users are required to read, understand, and agree to this policy when using cryptocurrency services on our platform.

Accepted Cryptocurrencies

Spinzz.com currently accepts the following cryptocurrencies:

- Bitcoin (BTC)
- Ethereum (ETH)
- Tether (USDT) – ERC20 and TRC20 networks
- USD Coin (USDC)
- Litecoin (LTC)

The list of accepted cryptocurrencies may be updated at our discretion to include additional coins or to remove existing ones.

Deposits

- Cryptocurrency deposits must be made to the unique wallet address provided to each player in their account deposit section.
- Deposits are credited to the player's gaming account after **required network confirmations** (minimum confirmations vary by cryptocurrency).
- Spinzz.com does not charge fees for cryptocurrency deposits; however, network fees may apply based on blockchain traffic.
- Deposits must only be made from wallets owned and controlled by the player. Deposits from third-party wallets or cryptocurrency exchanges on behalf of other

individuals are strictly prohibited.

- Players must ensure that they send the correct cryptocurrency to the correct wallet address. Spinzz.com will not be responsible for funds sent to incorrect or unsupported addresses.

Withdrawals

- Withdrawals must be requested to a verified wallet address that belongs to the player.
- For security purposes, wallet addresses may require verification through additional KYC procedures.
- Withdrawals will be processed in the cryptocurrency in which the deposit was made.
- Cryptocurrency withdrawal requests are subject to internal processing and anti-fraud checks. Spinzz.com aims to process all withdrawals within 24 hours but does not guarantee blockchain processing times.
- Spinzz.com reserves the right to request additional verification at any time before processing a cryptocurrency withdrawal.

Security and Compliance

- All cryptocurrency transactions are recorded on public blockchains, which allows traceability and transparency.
- Spinzz.com employs industry-standard security protocols for the handling, storage, and transfer of cryptocurrencies, including cold storage solutions where applicable.
- Cryptocurrency transactions are subject to the same AML (Anti-Money Laundering) and CTF (Counter-Terrorism Financing) monitoring as fiat transactions. Suspicious cryptocurrency activity may be reported to the Curaçao FIU in accordance with regulatory requirements.
- Spinzz.com reserves the right to freeze or block accounts where cryptocurrency-related suspicious activity is detected, including potential use of mixing/tumbling services or wallets associated with known illegal activities.

Prohibited Activities

Players are strictly prohibited from using cryptocurrency on Spinzz.com for the following purposes:

- Transactions related to money laundering, terrorism financing, or other illegal activities.
- Using privacy-enhancing tools such as mixers or tumblers to obfuscate transaction origins.
- Depositing or withdrawing funds on behalf of third parties.
- Utilizing cryptocurrencies from wallets or sources linked to sanctioned individuals, entities, or jurisdictions.
- Any activity that breaches Spinzz.com's Terms & Conditions, AML/CTF Policy, or local and international laws.

Violation of this policy will result in the immediate suspension or closure of the player's account, possible forfeiture of funds, and reporting to the relevant authorities.

Risk Acknowledgment

By using cryptocurrency on Spinzz.com, the player acknowledges and accepts that:

- Cryptocurrency prices are highly volatile, and Spinzz.com is not responsible for any gains or losses due to price fluctuations.
 - Cryptocurrency transactions are irreversible. Spinzz.com cannot recover funds sent to incorrect wallet addresses or unsupported networks.
 - Blockchain congestion, delays, or technical issues may result in slower transaction processing, which is outside the control of Spinzz.com.
 - Cryptocurrency regulations may vary depending on the player's jurisdiction. It is the player's responsibility to ensure that the use of cryptocurrency is legal in their country of residence.
-

Amendments to Policy

Spinzz.com reserves the right to amend, update, or terminate this Cryptocurrency Usage Policy at any time. Any changes will take effect immediately.
