Subject: Formal Request for Revocation of Gaming Licence - Hit Entertainment B.V. with the application number OGL/2024/495/0689

Dear Sir or Madam,

I, Sanije Memeti, in my capacity as Managing Director of Hit Entertainment B.V. hereby formally request the revocation of the Company's Curaçao gaming licence, with the application number OGL/2024/495/0689

The reason for this request is that the Company has ceased conducting gaming operations under CGA. Hit Entertainment B.V. no longer offers or operates any gaming activities requiring authorisation under this licence.

The brand names and domains remain active, however, gaming operations on those domains are conducted by a separate operator licensed in Anjouan. Any such activities are carried out outside the scope of CGA and are not operated Hit Entertainment B.V.

I further confirm that, as at the effective cessation of operations under CGA licence:

- there were no outstanding player claims;
- there were no outstanding player deposits or balances attributable to the Curaçao-licensed operation; and
- all player obligations connected to the Curaçao-licensed activities had been fully satisfied.

Accordingly, the Company respectfully requests that CGA proceed with the revocation of the above-referenced licence.

Yours faithfully,

Sanije Memti,

For acknowledgement
