Subject: Termination of Gaming Activities and Company Closure

Dear Sir/Madam,

I am writing to you in my capacity as the Ultimate Beneficial Owner of HIT Entertainment B.V., holder of a sublicense under the Curaçao gaming framework.

After careful consideration, we have decided not to continue operating under the current license, and as such, we do not wish to renew or maintain the sublicense going forward. We will be proceeding with the formal closure of the company registered in Curaçao.

Please rest assured that all financial obligations, including pending payments, will be settled in an orderly and timely manner. In addition, we are fully committed to ensuring that all player balances and any remaining operational responsibilities are handled with the utmost care and in line with regulatory expectations.

We kindly request that you take note of our decision and consider this letter as formal notification of our intent to cease all gaming activities licensed under your jurisdiction. Should any further documentation or procedures be required from our side to complete this process, please inform us accordingly and we will comply promptly.

We thank you for the cooperation and support provided throughout our time of operation.

Yours sincerely,

Sanije Memeti
