

GAMEPLAY – T&C clarification

2. To further clarify, our Terms and Conditions, which users must agree to, include the special section 13 (<https://bizbet.io/ru/information/rules/1>) regarding restrictions for underaged gamblers:

“13. GAMBLING BY THOSE UNDER AGE

13.1. If we suspect that you are or receive notification that you are currently under 18 years or were under 18 years (or below the age of majority as stipulated in the laws of the jurisdiction applicable to you) when you placed any bets through the Service your Account will be suspended (locked) to prevent you placing any further bets or making any withdrawals from your Account. We will then investigate the matter, including whether you have been betting as an agent for, or otherwise on behalf, of a person under 18 years (or below the age of majority as stipulated in the laws of the jurisdiction applicable to you). If having found that you: (a) are currently; (b) were under 18 years or below the majority age which applies to you at the relevant time; or (c) have been betting as an agent for or at the behest of a person under 18 years or below the majority age which applies:

- all winnings currently or due to be credited to your Account will be retained;*
- all winnings gained from betting through the Service whilst under age must be paid to us on demand (if you fail to comply with this provision we will seek to recover all costs associated with recovery of such sums); and/or*
- any monies deposited in your Account which are not winnings will be returned to you OR retained until you turn 18 years old at our sole discretion. We reserve the right to deduct payment transaction fees from the amount to return, including transaction fees for deposits to your account which we covered.*

13.2. This condition also applies to you if you are over the age of 18 years but you are placing your bets within a jurisdiction which specifies a higher age than 18 years for legal betting and you are below that legal minimum age in that jurisdiction.

13.3. In the event we suspect you are in breach of the provisions of this Clause or are attempting to rely on them for a fraudulent purpose, we reserve the right to take any action necessary in order to investigate the matter, including informing the relevant law enforcement agencies.”

3. We maintain records of all age verification attempts and their outcomes.
4. We conduct age verification as part of KYC and AML procedures, in this case at least a government-issued valid ID check is requested from the user. Although, if we have any doubt whatsoever of a player’s age prior to KYC or AML milestones being reached, age verification is undertaken at that point.
5. If necessary, we conduct secondary verification methods, such as proof of address, selfie verification, or third-party database checks.

6. The footer of our websites contains a clear visual indication that under-age gambling is prohibited (“18+” disclaimer sign).
