Statement of Source of Wealth

I, Anna-Maya Moberg, am the Ultimate Beneficial Owner (UBO) of several entities, including **iWantHelp S.A.**, an outsourcing company specializing in marketing, translation, and administrative services. iWantHelp S.A. has provided services primarily to the online gaming industry for the past 20 years.

I am also the UBO of several other entities, contributing to my wealth accumulation through various business activities.

As the **Owner and Director** of iWantHelp S.A., my primary source of wealth has been long-term contracts with clients in the gaming sector. My company offers various services, including marketing support, business administration, and strategic consulting. Through my extensive experience in this field, I have successfully built a reputable business that has consistently generated income over the years.

In addition to my business activities, I have inherited funds from my family, which contribute to my overall wealth. These inherited assets form a portion of my financial background and supplement the income generated through my professional work.

I can provide relevant supporting materials upon request if further documentation or additional details are required. My company, iWantHelp, has been resting for a couple of years but will be reopened this coming month.
