You and Wells Fargo

Thank you for being a loyal Wells Fargo customer. We value your trust in our company and look forward to continuing to serve you with your financial needs.

Other Wells Fargo Benefits

You control your information - Be aware what you share

It could be something as innocent as your email address or where you bank or live. Be careful what you share and who you share it with.

Fraudsters can use your personal information to steal your identity. They'll get into your accounts or even open new accounts in your name. This costs you money, time to close unauthorized accounts and an emotional toll as you try to repair your good name.

Scammers use all kinds of ways to get you to give up your information:

- Scammers can pose as your bank claiming there is a "problem" with your account.
- Tech imposters will convince you there is "an issue" with your device and get you to give them access to it.
- They'll have you scan QR codes or get you to fill in personal information on fake websites or online surveys.

Don't give them that chance. Protect your information on- and offline!

What to do:

- Use strong, complex passwords on all your accounts. Use two-factor authentication whenever it's available.

- Avoid clicking links in emails or texts. Instead, go directly to the official website or app.
- Be mindful of what you share on social media and who with.
- Use secure Wi-Fi. Avoid public Wi-Fi if possible.
- Install and maintain antivirus and antimalware software on your devices.
- Don't share personal information unless you initiated the contact. Slow down and always verify who you're giving the information to and why to ensure it makes sense.

Remember, it's your information. Share it wisely.

Need help?

If you have questions, want to make changes to your account, or want to learn more about other checking account options, please call us anytime at 1-800-TO-WELLS (1-800-869-3557).

*The fee period is the period used to calculate the monthly service fee. The fee period details are provided on the Monthly Service Fee Summary located in your account statement.

**A qualifying electronic deposit is a deposit of funds, such as your salary, government benefit payment, or other income, that has posted to your account and is (1) a direct deposit made through the Automated Clearing House (ACH) network, (2) an instant payment processed through the RTP® network (real-time payment system) or FedNow× Service, or (3) an electronic credit from a third party service that facilitates payments to your debit card using the Visa® or Mastercard® network (e.g., an Original Credit Transaction). Transfers from one account to another, mobile deposits, Zelle®, or deposits made at a branch or ATM are not considered a qualifying electronic deposit.

***On the last business day of each fee period balances in eligible Wells Fargo accounts will be automatically totaled. Eligible accounts include consumer deposit account balances (checking, savings, CDs, FDIC-insured IRAs), certain investment account balances, and applicable Wells Fargo bank fiduciary and custody accounts.

****When the primary account owner reaches the age of 25, age can no longer be used to avoid the monthly service fee.

*****Worldwide Military Banking program benefits will take effect 45 days after a qualifying non-civilian military direct deposit is deposited into an eligible Wells Fargo checking account. For more information on the qualifying non-civilian military direct deposit, program qualifications and benefits, please visit wellsfargo.com/military/worldwide-military-banking.
