

DECLARATION

BY THE BENEFICIAL OWNER OF

HERITAGE B.V.

I, NTEMIS IOANNIDES, Greek citizen with passport number AT336992, hereby declare and confirm that I am the Ultimate Beneficial Owner of Heritage B.V., registration no. 143780, incorporated in Curacao. I am writing to formally request the closure and winding up of Heritage B.V. due to the following reasons:

1. Our company's customers use crypto and based on the latest regulations, for client using crypto we need to conduct Enhanced Due Diligence.
2. Our software is not equipped properly for this procedure, either technically or with human resources.
3. The business drastically decreased due to the clients going to companies licensed in jurisdictions with less compliance requirements.

In light of the above, I believe that the responsible course of action is to proceed with the formal closure of the company.

I further declare that I have no intention to engage in any activities that may harm the reputation of your company, nor do I intend to hinder, delay, or defraud any creditors during this process.

Date:

Yours truly,

NTEMIS IOANNIDES

BENEFICIAL OWNER
