

Send the completed form to egl-applications@gcb.cw

(*The company must be based in Curaçao)

This authorization is effective immediately and shall remain effective until a letter of termination is Issued by the Company to the GCB, and which termination the GCB is satisfied has been made by a person which then has due legal authority to bind the Company. Once the Census is complete the Census Representative's rights shall also cease automatically.

Scope of Authorization

The Census Representative is granted authority to represent the Company on the following matters:

[tick all boxes where the Representative is being granted authority.]

Registration Portal Representation:

- ☒ Access to the Census Account: The Census Representative is authorized to use the above-mentioned email address as the sole access to the Company's Census Account.
- ☒ Submission and retrieval of documents: The Census Representative is authorized to submit, retrieve, receive, and acknowledge any documents, forms, or notifications related to the registration on behalf of the Company through the Census Account.
- ☒ Engage in dialogue: The Census Representative is authorized to engage in dialogue, communicate, and correspond with any regulatory bodies, officials, or third parties pertinent to the registration process either through the Census Account or other means of communication.

Furthermore:

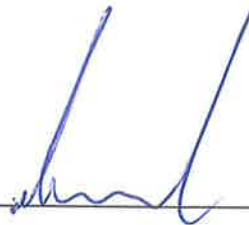

Conflict of Interest: The Company is aware of any conflict of interest that the Census Representative may have with regard to other registrations with the GCB.

The GCB will notify the Company if it deems the Census Representative to be unsuitable to carry out the role, in which case the Company will promptly terminate this Letter of Authority and appoint an alternate Census Representative.
