January 12th, 2025

Dear Curaçao Gaming Control Board team,

The brand was a dormant brand on Pragmatic Gaming Solutions Platform which was mismanaged and incurring unnecessary costs. Prashant Patel agreed to take it over for a small fee only on condition that a new management team of his choice was brought in including changing local CSP and other providers. Now that these pre-agreed changes have occurred, Prashant Patel agreed to acquire the shares from Maryna Hanai
