Application for a change of UBO

Dear members of the Curacao Gaming Authority,

Representing the interests of Advanced Sports Entertainment N.V., I am writing to you with this letter in connection with the changes to UBO.

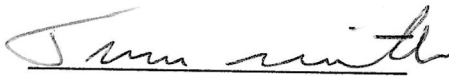

We would like to inform you that the current UBO (Ultimate Beneficial Owner) of our company, Thomas Juhani Wikstrom, has decided to retire due to reaching retirement age. In this regard, he wants to sell the company's shares for 10,000 euros.

The new UBO will be Marc larochevitch, who already has experience in this field and enough knowledge to manage our company at the proper level. We are confident that the candidate to whom the share will be transferred will contribute to the further development of the business and compliance with all necessary regulatory requirements.

We ask you to review this notice and provide the necessary instructions to complete this process.

Thank you for your attention. We are ready to answer any questions and provide the necessary additional documents.

Signed on April 30, 2025
