3. Notes to the Financial Statements

3.1 General

Dragon Money N.V. (“the Company”) is a limited liability company incorporated under Curaçao law on December 13, 2021. The principal objective of the Company is to be solely engaged in e-gambling activities.

3.2 Summary of Significant Accounting Policies

The principal accounting policies applied to these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

3.2.1 Basis of Preparation

These financial statements have been prepared in accordance with Book 2 of the Netherlands Antilles Civil Code. In accordance with the provisions of Book 2 of the Netherlands Antilles Civil Code, management has elected to prepare these financial statements in accordance with accounting policies generally accepted in the Netherlands.

Valuation of assets and liabilities and determination of the result takes place under the historical cost convention. Unless presented otherwise, the relevant principle for the specific balance sheet item, assets and liabilities are presented at face value.

Income and expenses are accounted for on accrual basis. Profit is only included when realized on balance sheet date. Losses originating before the end of the financial year are considered if they have become known before preparation of the financial statements.

3.2.2 Translation of Foreign Currency

The annual accounts are presented in USD being the currency in which the Company does most of its transactions.

Amounts receivable, liabilities and obligations denominated in foreign currency are translated at the exchange rates prevailing at balance sheet date. Transactions in foreign currency during the financial year are recognized in the financial statements at the exchange rates prevailing at transaction date.

3.2.3 Accounts receivable

Receivables are included at face value, less any provision for doubtful accounts. These provisions are determined by individual assessment of the receivables.

3.2.4 Revenue recognition

Revenues ensuing from the sale of from goods are accounted for when all major entitlements to economic benefits as well as all major risks have transferred to the buyer. The cost price of these goods is allocated to the same period.

Revenues from services are recognized in proportion to the services rendered. The cost price of these services is allocated to the same period.

The profit to be allocated to the work in progress is determined based on costs incurred for the work as at balance sheet date, in proportion to the aggregate costs expected to be spent on the work. The net realizable value is based on an expected sales price net of costs to be incurred for completion and sales.

3.2.5 Taxation

Corporate income tax (“CIT”) is levied on profit that qualifies as “domestic Profit”. As of January 1, 2020, Curacao levies CIT pursuant to a new “territorial tax system” on “domestic profit”. “Causal Costs” determines whether domestic profit is involved. The current generally applicable CIT rate is 22%.
