Subject: Discontinuation of Application

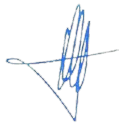

Dear CGA,

On behalf of Speqta Media NV, I would like to formally inform you that we have decided to discontinue our application for Online Gaming License. This decision has been made after careful consideration, and we request that the CGA proceed with the necessary steps to withdraw the application from further processing.

The reason for this decision is change in business strategy and internal restructuring. We appreciate the time and effort the CGA has dedicated to reviewing our application, and we thank you for your cooperation throughout the process.

Please confirm once the application has been formally discontinued or if any further actions are required from our side.

Best regards,
