

Disrupt Entertainment Limited N.V

Information Security Confirmation Statement

Date: 14.04.2026

To: Altenar

From: Disrupt Entertainment Limited N.V

Subject: Confirmation of Compliance with Industry-Standard Information Security Measures

Dear Altenar

In response to your request for confirmation regarding our information security practices, we hereby confirm that **Disrupt Entertainment Limited** has implemented security measures aligned with industry standards to safeguard company systems, data, and sensitive information.

Our Information Security Framework is built on industry best practices and regulatory requirements, incorporating key measures where applicable, such as:

1. Data Protection & Confidentiality

- Secure storage and encryption of sensitive data (both at rest and in transit).
- Restricted access to confidential information based on role-based permissions.
- Compliance with applicable data protection regulations (e.g., GDPR, LGPD).

2. Access Control & User Management

- Multi-factor authentication (MFA) for system access.
- Regular audits of access logs to prevent unauthorized access.
- Least privilege principle applied to employee access.

3. Network & Infrastructure Security

- Firewalls, intrusion detection/prevention systems, and endpoint protection.
- Regular security patches and updates to mitigate vulnerabilities.
- Data backups and disaster recovery procedures in place.

4. Incident Response & Monitoring

- Established protocols for detecting, reporting, and mitigating security incidents.
- Security awareness training for employees on phishing and social engineering risks.
- Periodic penetration testing and security assessments.

5. Third-Party & Vendor Security

- Security vetting of third-party service providers.
- Data processing agreements in place where applicable.

We remain committed to maintaining high-security standards and regularly reviewing our security controls to ensure continued compliance with evolving cybersecurity risks. Should you require any further clarification, please feel free to contact us.

Best Regards,

Adrian Toshkov

Chief Compliance Officer
