Re: Paloma Media B.V. – license conditions

To whom it may concern,

We refer to your request for written confirmation regarding; offer cryptocurrency exchange.

It's not possible to buy crypto on Thunderpick, players can deposit with crypto but not buy it on the site, you must use a third party

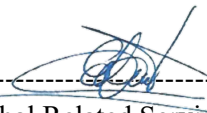

In fact, there is a how to guide informing players how to do it, it clearly states you must get your crypto elsewhere first, either your own exchange or any of the recommended ones in the wallet

Please refer to this link <https://thunderpick.io/blog/how-do-i-deposit-at-thunderpick>

We have an option on our website to assist users in buying Crypto through our most trusted third parties. Depending on the user, the relevant option will be displayed upon clicking on the 'Buy Crypto' tab under the 'Wallet' on Website.

- The Company does not provide, facilitate, operate, or otherwise offer cryptocurrency exchange, conversion, virtual asset exchange services. The Company's activities are strictly limited to those permitted under its applicable licensing and regulatory framework;

Best regards,

Global Related Services BV
