Dear Mr./Ms ,

Subject: Withdrawal of GCB License Application – GoolGlobal B.V.

We acknowledge the request for a formal letter explaining the reasons behind Goolglobal B.V.'s decision not to proceed with the direct license application with the Gaming Control Board (GCB).

Upon further review, the company has decided to withdraw the application due to the cost and complexity associated with the acquisition of the GCB license. After careful consideration, it was determined that these factors outweigh the benefits, especially in comparison to more feasible alternatives available in the market.

We appreciate your assistance throughout the application process and trust this decision will be understood. Should you require further information or clarification, please do not hesitate to contact us.

Thank you for your understanding and cooperation.

Sincerely,

Rudsel Lucas
