SELF-RESTRICTION

Gambling can be addictive. To help you stay in control of the gaming process, consider enabling self-restriction.

This option locks your account for a period you select, and it cannot be reopened until that time has passed.

Please note: with "Delay" your account will automatically reopen after the set period. With "Self-restriction" it will not automatically reopen – you'll need to manually request access again.

SELF-RESTRICTION

- ☐ For 3 months
- ☐ For 6 months
- ☐ For 1 year
- ☐ For 5 years
