General notes

The most important activities of the entity

The purpose of GT Holding B.V. shall be:

- to organize, market, promote, manage, support and operate all types of remote and stationary gaming activities, and sports, betting activities, comprising of all types of games, betting transactions, and other operation of betting exchanges, interactive casinos, bingos, lotteries, poker and other interactive games and to carry out any activities ancillary thereto by offering goods or services to persons who participate in licensed online gaming;
- to provide advertising, marketing and consulting services, all related to the gaming activities.

General accounting principles

The accounting standards used to prepare the financial statements

The financial statement is drawn up in accordance with Book 2 of the Civil Code of Curaçao.

Accounting principles

Accounting principles for determining the result

The result is the difference between the realisable value of the goods/services provided and the costs and other charges during the year. The results on transactions are recognised in the year in which they are realised.

Other operating expenses

Costs are determined on a historical basis and are attributed to the reporting year to which they relate.

Income tax expense

Tax on the result is calculated based on the result before tax in the income statement, taking account of the losses available for set-off from previous financial years and exempt profit components and after the addition of non-deductible costs. Due account is also taken of changes which occur in the deferred tax assets and deferred tax liabilities in respect of changes in the applicable tax rate.
